Who and What

Students need to determine "who" (the main character) and "what" (the main character's action).

DAY
1

Tell students that this week they will practice finding the main character in stories and paying attention to what the character does, too. The main character is the person or thing the story is mostly about. Direct students' attention to the illustration. Say: "This picture gives clues about the main character. Tell her what you think the main character is doing. Let's read the story to find out the cat's name and what the cat does. Read the instructions at the top of the page aloud. Then read the story as students follow along. Guide students to complete the first activity. With each story, help students locate the answer to the story and record their responses. Have students do the right words with a partner. They should read all the words out loud before deciding on their answers."
