The Magic of 3 Joshua King,2022-12-05 Now is a great time to be a saver We earn 3% interest through a high yield savings account That is completely free money just for saving in a certain institution How will we use these interest payments First we can reinvest in our HYSA But we can also take this money and invest into higher yield products safely Either way HYSAs are a start on the passive income path Our kids will follow how we travel the course so it s time to move beyond our comfort zone Good Luck

Boost Your High-Yield Savings Joshua King,2024-08-16 The days of earning 5% on your high yield savings account are coming to a close Interest rates should be around 3% within a year However to beat inflation we must generate at least 10% annual returns That leaves savers with a 7% gap so they can survive inflation and cost of living increases To best inflation we must think outside of the box We cannot depend on interest income from the bank to help us beat these price onslaughts Therefore we can increase our income by renting rooms trading options and high yield investing The only way to beat the capitalists is to join them Good Luck

High-Yield Savings Accounts Vs. Standard Savings Accounts JOSHUA. KING,2025-03-18 Do you want to save your money in a bank account that pays 0.1% That isn t enough money for anything I prefer to save my emergency fund in a high yield savings account that pays 4.0% or higher Over 30 years a 15 000 deposit in a high yield savings account would become 45 000 while the same 15 000 would grow to 15 500 in a standard savings account The first step to financial freedom is following a strict budget After that you must save in a high yield savings account to give every dollar a mission Good Luck

My Three Favorite High-Yield Savings Accounts Joshua King,2024-11-03 I love saving money I wasn t this way because I didn t value how vital savings are to our financial futures As a saver I love using my high yield savings accounts I now have three high yield accounts that I plan to grow to 20 000 or more The three accounts are Discover M1 Finance and Samsung Money Together they offer me three unique experiences to save money while earning a great yield If you are new to saving look at these three high yield savings accounts They are great for both new and seasoned savers Good Luck
