Touchdown Gerald R. Gems, Gertrud Pfister, 2017-09-30 American football is the most popular and controversial sport in the United States and a massive industry. The NFL's revenues are over 13 billion annually. The Super Bowl is watched by half of US television households and is televised in over 150 countries. **Touchdown An American Obsession** is the first comprehensive guide to the history and culture of the sport, covering US college football as well as professional football worldwide. The editors and authors are among the world's leading sports scholars. They cover race, ethnicity, religion, gender, social class, and globalization, as well as recent scandals and controversies, the importance of television and the art and aesthetics of the game. **Touchdown An American Obsession** is a readable, authoritative guide for Americans as well as an introduction for people around the world.

Sports Sponsorship John A. Fortunato, 2013-08-14 This book focuses on how the sponsorship of sports works: the costs, the goals, evaluation and selection of the property a sponsor chooses, how to activate a sponsorship, how to create a brand association, public relations and brand image possibilities. Anything is possible in a sponsorship; it is simply what the sponsor and the property can agree to during their negotiations. There is, for example, the opportunity for product category exclusivity, no competing brand at a particular location. With the audience being harder to reach because of technology, sponsorship continues to be a viable way to obtain brand exposure and better connect a brand with a consumer. With global sponsorship spending totaling more than 51 billion, it is clear that many companies see this as an important promotional communication strategy. Instructors considering this book for use in a course may request an examination copy here.

The Sporting News, 1982 **One Last Read** Ray Didinger, 2023-07-14 Ray Didinger is one of the best sportswriters Philadelphia has ever read. A sports journalist first for the Bulletin and then for the Daily News, he never missed a deadline in over 25 years. But as he admits, there have been close calls, much to his editors' chagrin. He was widely known as the World's Slowest Sportswriter. Of the thousands of articles, columns, and profiles he has penned over the years, Didinger has selected his finest work to be included in this book. **One Last Read** contains entire chapters for each of the professional Philadelphia teams—the Phillies, the Flyers, the Sixers, and, of course, the Eagles. But that is only half of the story. Included here is his coverage of college sports and the Olympics, as well as the full text of the speech he delivered in Canton, Ohio, when he presented his boyhood idol, Tommy McDonald, for induction into the Pro Football Hall of Fame. There are also some strongly worded opinion pieces about former Eagles owner and legendary high roller Leonard Tose, the career of Woody Hayes, and much, much more. Didinger's introduction, engaging, warm, witty, and insightful, is among his finest writing. For longtime readers, this essential collection of Didinger's work was worth the wait.

Criminology on Trump Gregg Barak, 2022-05-16 **Criminology on Trump** is a criminological investigation of the world's most successful outlaw, Donald J. Trump.
