Woke Love K. M. D., 2023-06-13. Shelby Ford. Late forties. Project Director from Perth. The contractor Jaxon Reid. Mid fifties. Entrepreneur from Texas. The client. A short term contract. An unlikely encounter. A joy. A lie. A learning. Shelby. After a traumatic childhood and many failed relationships, Shelby undertakes a journey of reflection and healing and builds a stable and secure life for herself. Now fast approaching her fifties, she dreams of exploring the world and experiencing new things. She lands a short term contract overseas and takes her chance without hesitation. Jaxon. A man dedicated to his life mission and purpose. A dedication that resulted in many failed relationships and a now noticeable silence in his heart and his home. He longs for the one thing that has always eluded him: a solid, stable commitment. A life story. He knows it's time to forgive the past and open himself up to love again. He also knows that if he wants a different outcome, he must do it differently this time. A chance encounter forces them both to reflect on what they've learned and what they need and want from life and love. As Jaxon and Shelby explore their needs and desires, Shelby is forced to admit that she's living with a secret, a secret that requires her to show her courage close a difficult chapter and learn some new lessons before she can be ready to receive the joy on offer. If you believe in the power of desire that you are enough, that the best love stories are life stories, and if you're open to a new playlist for love, this is the book for you.

Run Run Runaway Dahlia Rose, 2024-04-06

I can't go through with this. Lux Cooper couldn't go through with it, marrying Mario Blevins and becoming a part of his snobbish family just weeks before Christmas. He was okay, but their families pushed them together for some kind of alignment of fortunes or whatever. As she walked up the aisle, her mind raced, searching for an escape route. Lux locked eyes with Hudson Falk at the back of the chapel, her best friend. In that instant, he extended his hand to her. Without a second thought, Lux turned and ran to him amidst shocked gasps and her father's angry voice. Little did she know, taking Hudson's hand would lead to more than she could have ever anticipated, making for a Christmas people could only dream of. Hudson Falk had fallen for Lux Cooper from the moment they met. Playing the role of her best friend had been a challenge, especially when her father announced her engagement. He didn't fit into their refined, wealthy social circles; they would be in awe of his secret: he was the son of a Norse winter god in a human world. Those secrets were never meant to be revealed until now, and only to Lux. Taking her hand and fleeing from the chapel with her presented him with a once-in-a-lifetime opportunity. Their impromptu escape led to unexpected turns. Let's run away.

to Norway Yes Let's get drunk and get married Okay neither of them had anticipated that I'm actually a Norse god and I do mystical things Lux looked skeptical until he showed her his true life Now that Hudson had Lux he had no intention of letting her go After all he was a Viking and love was their expertise Beneath the enchanting Northern Lights for Christmas in a glass igloo nestled in the snow Hudson would show Lux how his kisses could warm her and how his love held no expectations
