Thrown To The Woolfs:

Thrown to the Woolfs John Lehmann,1978 **John Lehmann** A. Trevor Tolley,1987 One of the outstanding editors of this century John Lehmann founded New Writing and London Magazine as well as other literary journals He also wrote poems two novels and a distinguished literary autobiography All aspects of Lehmann s work are discussed in this book of recollections and essays of friends critics and other writers *Virginia Woolf and Poetry* Emily Kopley,2021 Offers a thorough reinterpretation of the motivations and aims of Woolf s canonical work and provides a major case study of genre rivalry It is written in clear and lively language and maintains a narrative drive as it traces Woolf s reading and writing over her lifetime **Leonard Woolf** Victoria Glendinning,2008-04-28 This meticulously researched and compassionately rendered portrait of Leonard Woolf the dark star of Bloomsbury is the first to capture his troubled relationship with his wife his own intellect and the tumultuous world of artists and eccentrics around him A man of extremes Woolf was by turns ferocious and tender violent and repressed opinionated and nonjudgmental always an outsider of sorts within the exceptionally intimate fractious and sometimes vicious society of brilliant but troubled friends and lovers In telling Woolf s story Victoria Glendinning traces the development of the Bloomsbury circle bringing to life the group s literary and personal discussions She also provides an unprecedented account of Woolf s marriage to the legendary Virginia revealing his undying creative and emotional support for her amid her numerous breakdowns Leonard Woolf is a perceptive and lively biography of a man whose far reaching influence is long overdue the full appreciation Glendinning provides **How Will the Heart Endure?** Heather Bryant Jordan,1992 The career of Elizabeth Bowen 1899 1973 has been hard to categorize As an Anglo Irish writer a follower of the modernists but not technically one herself as an independent woman writer but not by her admission a feminist and as a creative writer in time of war she has eluded compartmentalization In How Will the Heart Endure Heather Bryant Jordan provides a new assessment of Bowen s achievement arguing that Bowen s response to war is the best lens for elucidating the relation between art and life expressed in Bowen s work Bowen created novels short stories essays and autobiographical works in a war torn world that saw successively the Troubles in Ireland the Irish Civil War World War I and World War II The strains she felt as a result of these experiences were expressed in the intensely personal vision of loss and betrayal that her fiction conveys Jordan s study combines historical and literary analysis and incorporates new archival research on Bowen s correspondence and on her war reports to the Ministry of Information How Will the Heart Endure offers not only a new reading of Bowen s work but an insightful look into the wartime publishing climate in which Bowen and her circle which included Virginia Woolf T S Eliot John and Rosalind Lehmann Cyril Connolly Evelyn Waugh Graham Greene and Stephen Spender operated It will be of interest to specialists in modern British fiction women s studies Irish studies and Anglo Irish literature

Bair,2008 The theme of loss is expressed or implied in much of Virginia Woolf s fiction and non fiction and one that resonates with the story of her own life from her childhood through her loss of family and of friends and of security in two World Wars to her struggles with mental illness and her eventual suicide And yet Virginia Woolf was by all accounts a lively and engaging woman full of warmth humor maternal feeling for her sister s children as she had none of her own passion and exultation She had a prodigiously active career and she stood at the center of a large group of notable engaged figures many of them public intellectuals at the forefront of their generation who were connected to her and to each other by bonds of family affinity shared artistic and social enterprise and above all affection This group and their friends produced mountains of books hundreds of square feet of paintings and reams of press The selection of material in this recent Grolier Club exhibition and its accompanying catalogue documents the mutual enrichment of their life and work and the resonance of Virginia Woolf s greatest literary work with the story of her life and the lives of those who were dear to her Much of the material is
