If we haven't been laying the groundwork and investing in our littles in the years prior, we will pay the price when they become big. This book teaches us lovingly and gently how to invest in our kids at every stage of their life, from 0 to young adult. But not only that, when you read tips like *Do the Next Right Thing*, we are reminded that it is never too late. There are all kinds of voices around us and inside of us, quick to feed us lies about what is possible and what is not when it comes to growing or reconciling relationships. This book is
