Twelve Powers is a metaphysical look at twelve expressions of the divine power inherent in each of us. Expressions such as love, faith, strength, zeal, and imagination are discussed. Jesus prophesied of the time when we who would sit with him on twelve thrones judging the twelve tribes of Israel. This book explains the meaning of this mystical reference, what and where the twelve thrones are, and what attainments are necessary by us before we can follow Jesus in this phase of regeneration. Generation sustains and perpetuates the human regeneration; unfolds and glorifies the divine. It is not expected that beginners in the study of metaphysical Christianity will understand this book. It deals with forces that function below and above the field of the conscious mind. The average religious thinker knows nothing about the sub-conscious mind and very little about the super-conscious. This book presupposes a working knowledge of both. This book aims to clear up the mystery that ever envelops the advent, life, and death of Jesus. Here is your copy of this classic New Thought book. Read it, follow it, meditate on it, and you can use the twelve powers.
