**Instagram Ads Get Sales** Instagramads Business,2021-05-08 how you lay out there and then where the egg is placed at

the end of the and creation process I ll show you all this step by step so it s a lot more clear rather than me talk to Instagram at to get started with Instagram ads go to facebook com this is the place where we going to set up our Add accounts to Facebook but as I mentioned Facebook and Instagram are the same ad platform and the reason why I want you to set this up This is going to allow you to run more than one at account personally you get one at account and even if you only plant running 1 hour one business this is still the best workflow you can later request access to other Pages for it from different at account and you permission to other people to help you with your ads to and this is just a typical workflow of running ads on Facebook and Instagram go ahead and create an account here I covered this in a different video I ll put that video link in the description and I m going to Brown County are so I can show you the next step and this is typically the next page after you set up your ad account your business manager account and what we want to do is we want to create a more tools over here and go to our Admiral everything is going to take place inside a bad manager now if you don t go this route for the business manager and you just do this from your personal Facebook accounts here on one of you can press the plus sign here and then you could press ads but this actually try a different set of processed
