Samuel Schwisberg

Swarm Before Me Tragic Pettkus:

Swarm Before Me Samuel Schwisberg, 2015-12-07 On November 5 1986 Rosa Becker the estranged common law partner of a successful beekeeper in Eastern Ontario shot herself in the head and died That fatal shot reverberated throughout the Canadian legal system when her suicide note revealed she blamed the legal system for forcing her to do it Despite finally winning a landmark 1980 Supreme Court decision awarding her an equal share in the couple s assets Rosa never saw a dime of the judgment By 1986 when it appeared she would finally receive some money after her 12 year legal marathon and the enforced sale of the bee business the court ordered the much reduced share of 68 000 be paid in full to her lawyer to cover her legal bills Despite her many years of paying bills working and helping to build a successful farm business Rosa was left with nothing In desperation she committed suicide Writing in the Ottawa Citizen Dave Brown observed in his review of this book s original manuscript that he never thought anybody would ever be able to make sense of the truck load of paperwork generated by the case but this has been done by Samuel Schwisberg its an amazing piece of work Wow Swarm Before Me is a thoroughly researched legal history that explores the social and legal issues surrounding a period of enormous changes in Canadian family law and women s rights

An Accidental Humanitarian Roger John Fowler, 2022-07-27 Hearing that the British Red Cross were recruiting truck drivers to deliver relief supplies in the active conflict zones of the former Yugoslavia Roger thought the work sounded interesting What he experienced during his mission with the International Committee of the Red Cross proved to be much more Living the realities of humanitarian relief work and witnessing the tragedies of what war could do and did to its civilian victims was life changing Roger Fowler s rich memoir chronicles the wins and losses joys and heartbreak of providing humanitarian relief to suffering civilians and displaced persons With tenacity determination and humour Roger takes the reader with him through his adventures from escorting convoys across front lines to being in the middle of the largest and final battle of the Croatian War of Independence Operation Storm
