Trauma and Posttraumatic Stress

Disorder Evelyn J. Bromet,Elie G. Karam,Karestan C. Koenen,Dan J. Stein,2018-08-09 Posttraumatic stress disorder PTSD is a chronic under detected and under treated psychiatric consequence of trauma that is often linked to new onset medical and psychological conditions impaired quality of life and long term disability across the globe This book is the first systematic

analysis of the rates risk factors consequences and global burden of trauma and PTSD across a variety of wealthy and underdeveloped settings An analysis of a global survey conducted by the World Health Organization and featuring findings from over 70 000 participants around the world this text demonstrates a unique perspective on the prevalence of exposure to trauma and PTSD and the impact it has on population health The findings inside this text underscore the urgent need for policymakers and healthcare providers to prioritize interventions aimed at reducing the burden of trauma PTSD and its consequences

The Myth and Reality of German Warfare Gerhard P. Gross,2016-09-16 Surrounded by potential adversaries nineteenth century Prussia and twentieth century Germany faced the formidable prospect of multifront wars and wars of attrition To counteract these threats generations of general staff officers were educated in operational thinking the main tenets of which were extremely influential on military planning across the globe and were adopted by American and Soviet armies In the twentieth century Germany s art of warfare dominated military theory and practice creating a myth of German operational brilliance that lingers today despite the nation s crushing defeats in two world wars In this seminal study Gerhard P Gross provides a comprehensive examination of the development and failure of German operational thinking over a period of more than a century He analyzes the strengths and weaknesses of five different armies from the mid nineteenth century through the early days of NATO He also offers fresh interpretations of towering figures of German military history including Moltke the Elder Alfred von Schlieffen and Erich Ludendorff Essential reading for military historians and strategists this innovative work dismantles cherished myths and offers new insights into Germany s failed attempts to become a global power through military means

Bing Crosby Gary Giddins,2018-10-30 This is quite simply the best researched best written most entertaining music biography I ve read Mojo Bing Crosby dominated American popular culture in a way that few artists ever have From the dizzy era of Prohibition through the dark days of the Second World War he was a desperate nation s most beloved entertainer But he was more than just a charismatic crooner Bing Crosby redefined the very foundations of modern music from the way it was recorded to the way it was orchestrated and performed In Bing Crosby Swinging on a Star the much anticipated follow up to the universally acclaimed first volume of the multi part biography NBCC Winner and preeminent cultural critic Gary Giddins now focuses on Crosby s most memorable period the war years and the origin story of White Christmas Set against the backdrop of a Europe on the brink of collapse this groundbreaking work traces Crosby s skyrocketing career as he fully inhabits a new era of American entertainment and culture While he would go on to reshape both popular music and cinema more comprehensively than any other artist Crosby s legacy would be forever intertwined with his impact on the home front a unifying voice for a nation at war Over a decade in the making and drawing on hundreds of interviews and unprecedented access to numerous archives

Giddins brings Bing Crosby his work and his world to vivid life firmly reclaiming Crosby's central role in American cultural history. Someone has to make the case for Crosby's historical importance and fortunately for Bing Gary Giddins has taken up the gauntlet with surprising vehemence. *Wall Street Journal*: An evocative portrait of a man and a historical moment. *Washington Post*: [EPA Publications Bibliography Quarterly Abstract Bulletin](#) United States.
