The Panasonic G80/85 Menu System Simplified

David Thorpe,2016-12-11 The Panasonic G80 G85 in the USA is the most capable version of their workhorse G series cameras to date The heart of the camera is its menu system It is one of the best presented and most logically laid out of any digital camera But with pages of menus containing hundreds of settings the manual for the G80 85 is a formidable read What s the difference between Self Timer and Shutter Delay Between AFS and AFF Between AdobeRGB and sRGB Many

photographers never fully get to grips with the G80 85 That needn t be you **The Panasonic S1/S1R Menu System Simplified** David Thorpe,2019-08 The Panasonic S1 and S1R are Panasonic s first foray into the world of the mirrorless full frame camera They are high end cameras with a wealth of technical features and capabilities and of necessity complex cameras As with any digital camera the heart of the machine is the menu system consisting of nearly 200 entries many with their own sub menus offering many hundred of options It is no surprise then that even experienced users can find themselves scratching their heads as they wade through the mass of options This book goes through each and every menu choice and explains what it does and why you might want to do it It doesn t try to teach you photography You wouldn t have chosen an S1 S1R if you didn t already have some expertise What my books aims to do is to familiarise yourself with your S1 S1R and learn to tailor it to your own taste and needs Having done that you I think you will find using the big Panasonic not only a pleasure but inspiring as well **The Panasonic Gm5 Menu System Simplified** David Thorpe,2014-12-09 The Panasonic Lumix GM5 looks like a Compact Camera because of its tiny body But looks are deceptive in this case because the GM5 is a true Micro Four Thirds system camera with the same brilliant image quality and interchangeable lens capabilities as its larger stable mates A compact style body cannot though disguise what is in fact a state of the art digital camera with all the versatility and complexity that that entails The menu system of the Panasonic GM5 is one of the best presented and most logically laid out of any digital camera but with 30 pages containing 139 items many with their own sub menus it is no surprise that many photograpers find it perplexing What s the difference between AFS and AFF What is AF MF and how does it work That needn t be you This book offers a blow by blow explanation of the menu items what they do and why you might want to utilize them in non technical language The last chapter goes through every menu item in order and tells you how the author has his camera set up You can simply copy these settings to your GM1 and within a few minutes be out and about taking pictures with confidence **The Panasonic Gx7 Menu System Simplified** David Thorpe,2014-09-02 What s the difference between Self Timer and Shutter Delay Between AFS and AFF How can Disp Style change your viewing experience The menu system of the Panasonic GX7 is one of the best presented and most logically laid out of any digital camera But with 29 pages containing 132 items many with their own sub menus the manual for the GX7 is labyrinthine Many photographers faced with this one of the most sophisticated digital cameras ever produced with its seemingly endless array of options never fully get to grips with it That needn t be you This book offers a blow by blow explanation of the menu items what they do and why you might want to utilize them in non technical language The last chapter goes through every menu item in order and tells you how the author has his camera set up You can simply copy these settings to your GX7 and within a few minutes be out and about taking pictures with confidence While my professional expertise is in stills photography I cover the video aspects of the GX7 in some detail but would never lay claim to the same expertise that I do in stills **The Panasonic Gm1 Menu System Simplified** David Thorpe,2014-09-17 The Panasonic Lumix GM1 looks like a Compact Camera because of its

tiny body But looks are deceptive in this case because the GM1 is a true Micro Four Thirds system camera with the same brilliant image quality and interchangeable lens capabilities as its larger stable mates A compact style body cannot though disguise what is in fact a state of the art digital camera with all the versatility and complexity that that entails The menu system of the Panasonic GM1 is one of the best presented and most logically laid out of any digital camera but with 28 pages containing 131 items many with their own sub menus it is no surprise that many photographers find it perplexing What s the difference between AFS and AFF What is AF MF and how does it work That needn t be you This book offers a blow by blow explanation of the menu items what they do and why you might want to utilize them in non technical language The last chapter goes through every menu item in order and tells you how the author has his camera set up You can simply copy these settings to your GM1 and within a few minutes be out and about taking pictures with confidence

GX80/85 Menu System Simplified David Thorpe,2016-08-01 What s the difference between Self Timer and Shutter Delay Between AFS and AFF How can Disp Style change your viewing experience The menu system of the Panasonic GX80 GX85 in the USA is one of the best presented and most logically laid out of any digital camera But with 33 pages containing 151 items many with their own sub menus the manual for the GX80 is labyrinthine Many photographers faced with this one of the most sophisticated digital cameras ever produced with its seemingly endless array of options never fully get to grips with it That needn t be you This book offers a blow by blow explanation of the menu items what they do and why you might want to utilize them in non technical language Its aim is not to teach you photography but how to use the GX80 as a finely tuned tool for your image making The last chapter goes through every menu item in order and tells you how the author has his camera set up You can simply copy these settings to your GX88 and within a few minutes be out and about taking pictures with confidence

[The Panasonic GX9 Menu System Simplified](#) David Thorpe,2018-06-02 The Panasonic GX9 is a direct descendant of the much loved and still much used GX7 It has all the improvement you would expect better stabilization quieter shock free shutter and higher pixel count As important as all the technological progress is it wouldn t mean a thing if

the camera had lost the charm and sheer usability of the GX7 With its trim and compact rangefinder style body the GX9 remains Panasonic's little Leica Like all Micro Four Thirds cameras the GX9 is a highly complex digital imaging machine at heart and for anyone new to the system or upgrading from a smart phone it can seem quite off putting It needn't be If you want a simple life just put the G9 in iA and it is no more difficult to use than your phone On the other hand you don't buy a quality camera just to do selfies for Facebook and snapshots for Instagram The GX9 is capable of just about any type of work from 30 frames per second speed burst for the sports photographer to quiet and instant focusing for street work There's a lot to know about the Panasonic GX9 LVF Display Speed ESHTR Some settings are crucial some just good to know This book doesn't try to teach you photography Its aim is to familiarise you with the menu and settings of the GX9 what they do and why you might want to use them It is true that the camera is a tool but just knowing your scales on a violin makes you a better musician so mastery of the GX9 menu will make you a better photographer The menu system and controls of the GX9 are well presented and logically laid out but with 6 main containing around 200 menu items many of those with sub menus even the most experienced user will sometimes find themselves scratching their head and wondering what an entry means This small book goes through every menu choice and control and explains a what it does and b why you might want to do it It may not inspire you in a literary sense but with its help you may find a GX9 tailored to your personal taste inspiring to use
