P. Werlock,2009 Praise for the previous edition Booklist RBB Twenty Best Books for Student Researchers RUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates **Maupassant and the American Short Story** Richard Fusco,1994 Maupassant and the American Short Story isolates and develops more fully than any previous study the impact of Maupassant's work on the writing of Ambrose Bierce O Henry Kate Chopin and Henry James It introduces a new perspective to assess their canons reviving the importance of many often ignored stories and in the cases of Maupassant and O Henry reasserting the necessity of studying such writers to understand the history of the genre An important moment in the history of the short story occurred with the American misreading of Maupassant's use of story structure Before the turn of the century Jonathan Sturges and others published mostly surprise inversion tales in translation Especially inspiring Bierce and O Henry this skewed sample implied to American writers that Maupassant constructed such plots exclusively Only a few writers such as James and Chopin both of whom read Maupassant in French appreciated his deft handling of form more

fully. Their vision and the impact of Maupassant upon their fiction was largely ignored by later generations of writers who preferred to associate Maupassant and O Henry with the trick ending story. This book details the origins and consequences of this misperception. The book further contributes to the study of the short story genre. Through an adaptation of Aristotelian concepts, Richard Fusco proposes an original approach to short story structure defining and developing seven categories of textual formulas linear, ironic, coda, surprise, inversion, loop, descending, helical, contrast, and sinusoidal. As a practitioner of all these forms, Maupassant established his mastery of the genre. By studying his use of form, the book asserts a major reason for his pivotal importance in the historical development of the short story.

Kate Chopin in the Twenty-First Century Heather Ostman, 2020-12-15. The essays in *Kate Chopin in the Twenty First Century* update Chopin scholarship, creating pathways both broad and narrow for study in a new century. Given Chopin's atypical literary career and her frequent writing about unconventional themes for her time such as divorce, infidelity, and suicide, she may have approved such approaches as the essays here suggest. This collection of essays offers readers newer ways of thinking about Chopin's works. They break away from the familiar trends of the feminist considerations of her work, ranging from her short stories to her lesser known novel *At Fault* to her best known work *The Awakening*. Part one introduces interdisciplinary themes for reading culture in Chopin, including urban living and theatre as a lens for viewing New Orleans's social and class stratifications, the importance of music, a central interest of Chopin's in her texts, and the cultural relevance of *Vogue* magazine where eighteen of Chopin's stories were first published. Part two identifies important and overlapping concerns of religion, race, class, and gender within the contexts of selected short works. And part three offers fresh readings of *The Awakening* using the lens of race as well as the lens of class to reconsider protagonist Edna Pontellier's transformation and her dependency upon the rights of privilege within a specific cultural context. Together, all of the essays in the collection by both established and newer scholars help to usher Chopin's work into the twenty first century.

The Nineteenth-century American Short Story A. Robert Lee, 1986-01-01. This collection addresses the key American short story writers Poe, Irving, Melville, Hawthorne, Twain, Crane, Bierce, Chopin, and James, and addresses both the vision and the design of their collective achievement.

The Awakening and Selected Short Stories: 11 Stories by Kate Chopin Chopin, 2020-08-31. 11 stories by Kate Chopin. *The Awakening*, *Beyond the Bayou*, *Ma ame Pelagie*, *Desiree's Baby*, *A Respectable Woman*, *The Kiss*, *A Pair of Silk Stockings*, *The Locket*, *A Reflection At the Cadian Ball*, *The Storm*.

Louisiana Women Janet Allured, Judith F. Gentry, 2009. Moving chronologically from the colonial period to the present, this collection of seventeen biographical essays provides a window into the social, cultural, and geographic milieu of women's lives in the state. Within the context of the historical forces that have shaped Louisiana, the contributors look at ways in which the women they profile either abided by prevailing gender norms or negotiated new models of behavior for themselves and other women. *Louisiana Women* concludes with an essay that examines women's active responses to problems that emerged in New Orleans after Hurricane Katrina. The women whose absorbing life stories are

collected here include Marie Therese Coincoin who was born a slave but later became a successful entrepreneur and Oretha Castle Haley civil rights activist and leader of the New Orleans chapter of CORE From such well known figures as author Kate Chopin and Voudou priestess Marie Laveau to lesser known women such as Cajun musician Cleoma Breaux Falcon this volume reveals a compelling cross section of historical figures The women profiled vary by race class political affiliation and religious persuasion but they all share an unusual grit and determination that allowed them to turn trying circumstances into opportunity Lively yet rigorous these essays introduce readers to the courageous dedicated and inventive women who have been an essential part of Louisiana's history Historical figures included Marie Therese Coincoin The Baroness Pontalba Marie Laveau Sarah Katherine Kate Stone Eliza Jane Nicholson Kate Chopin Grace King Louisa Williams Robinson Her Daughters and Her Granddaughters Clementine Hunter Dorothy Dix True Methodist Women Cleoma Breaux Falcon Caroline Dormon Mary Land Rowena Spencer Oretha Castle Haley Louisiana Women and Hurricane Katrina
