But what happens when you can't trust those who have access to the nation's most secret intelligence? **THE WILL ROBIE SERIES** Book 1 *The Innocent* Book 2 *The Hit* Book 3 *The Target* Book 4 *The Guilty*

**The Guilty** David Baldacci, 2015-11-17 After failing a critical assignment overseas, Will Robie must investigate a murder accusation against his father, but to save him, he'll have to face a violent and deadly fallout. In this New York Times bestselling thriller, Will Robie escaped his small Gulf Coast hometown of Cantrell, Mississippi, after high school, severing all personal ties and never looking back. Not until the unimaginable occurs. His father, Dan Robie, has been arrested and charged with murder. Father and son haven't spoken or seen each other since the day Robie left town. In that time, Dan Robie, a local attorney and pillar of the community, has been elected town judge. Despite this, most of Cantrell is aligned against Dan. His guilt is assumed. To make matters worse, Dan has refused to do anything to defend himself. When Robie tries to help his father, he responds only with anger and defiance. Could Dan really be guilty? With the equally formidable Jessica Reel at his side, Robie ignores his father's wishes and begins his own desperate investigation into the case. But Robie is now a stranger to his hometown, an outsider, a man who has forsaken his past and his family. His attempts to save his father are met with distrust and skepticism and violence. Unlike the missions Robie undertook in the service of his country, where his target was clearly defined, digging into his father's case only reveals more questions. Robie is drawn into the hidden underside of Cantrell, where he must face the unexpected and possibly deadly consequences of the long-ago choices made by father and son. And this time, there may be no escape for either of them.

**The Hit** David Baldacci, 2013-04-23 Master assassin Will Robie must track down a deadly rogue agent, but the attacks conceal a larger threat that could send shockwaves through the U.S. government and around the world. In this New York Times bestselling thriller, Will Robie is a master of killing. A highly skilled assassin, Robie is the man the U.S. government calls on to eliminate the worst of the worst enemies of the state: monsters committed to harming untold numbers of innocent victims. No one else can match Robie's talents as a hitman, no one except Jessica Reel. A fellow assassin, equally professional and dangerous, Reel is every bit as lethal as Robie. And now she's gone rogue, turning her gun sights on other members of their agency. To stop one of their own, the government looks again to Will Robie. His mission: bring in Reel, dead or alive. Only a killer can catch another killer, they tell him. But as Robie pursues Reel, he quickly finds that there is more to her betrayal than meets the eye. Her attacks on the agency conceal a larger threat, a threat that could send shockwaves through the U.S. government and around the world.

**Bullseye** David Baldacci, 2014-02-04 In this all-new short story from New York Times bestselling author David Baldacci, worlds collide when government assassin Will Robie is caught in the crossfire with Oliver Stone and the Camel Club. But is this just a simple bank job, or are the robbers after
