

A still life arrangement of autumn harvest items. In the foreground, a large orange pumpkin with a dark stem sits next to a smaller, lighter-colored pumpkin. A cornucopia of autumn leaves in shades of orange, yellow, and red is scattered around them. A long ear of yellow corn lies horizontally in front of the pumpkins. To the right, a small cluster of gourds or berries is visible. The background is dark and out of focus, showing more autumnal elements like a bundle of straw or hay.
