**Psychology and Spiritual Formation in Dialogue** Thomas M. Crisp, Steven L. Porter, Gregg A. Ten Elshof, 2019-01-22 Can the phenomena of the human mind be separated from the practices of spiritual formation Research into the nature of moral and spiritual change has revived in recent years in both the worlds of psychology and theology Rooted in a year long discussion held by Biola University s Center for Christian Thought CCT this volume bridges the gaps caused by professional specialization among psychology theology and philosophy **Packer on the Christian Life** Sam Storms, 2015-06-30 Widely recognized as a pillar of 20th century evangelicalism J I Packer has had a profound impact on millions of Christians living today Now in his late eighties Packer still exerts an enormous influence on pastors and laypeople around the world through his many books articles and recorded lectures works that overflow with spiritual wisdom related to the Christian life In the latest addition to

Crossway's growing Theologians on the Christian Life series well-known pastor Sam Storms examines Packer's legacy when it comes to the Christian and sanctification. Whether exploring Packer's insights into prayer, Bible study, the sovereignty of God, or the Christian's fight against sin, this accessible book offers readers the chance to learn from the best of Packer's thinking on what true godliness really entails. Part of the Theologians on the Christian Life series     **Dying and the Virtues** Matthew Levering, 2018-01-23 In this rich book, Matthew Levering explores nine key virtues that we need to die and live well: love, hope, faith, penitence, gratitude, solidarity, humility, surrender, and courage. Retrieving and engaging a variety of biblical, theological, historical, and medical resources, Levering journeys through the various stages and challenges of the dying process, beginning with the fear of annihilation and continuing through repentance and gratitude, suffering and hope, before arriving finally at the courage needed to say goodbye to one's familiar world. Grounded in careful readings of Scripture, the theological tradition, and contemporary culture, *Dying and the Virtues* comprehensively and beautifully shows how these nine virtues effectively unite us with God, the One who alone can conquer death.     **J. I. Packer** Alister McGrath, 2020-11-10 J. I. Packer was one of the most influential evangelical theological and spiritual writers of the twentieth century. In this beautiful recollection of Packer's life and faith, Alister McGrath explores his many contributions to theology and spirituality, engagingly setting out the central themes of his work for a new generation of readers.     **Kiss the Wave** Dave Furman, 2018-01-16 I have learned to kiss the wave that throws me against the Rock of Ages. What does it mean to kiss the wave? These words, attributed to nineteenth-century British preacher Charles Spurgeon, speak to the Christian's only hope for perseverance in suffering. What if we can learn to experience the nearness of God in the midst of suffering? What if God intends to work through our trials rather than simply take them away? After living for more than a decade with a debilitating nerve condition in both arms, Dave Furman shows us that God, in his grace, always designs trials for our good, not minimizing the pain but infusing significance into our suffering. Furman demonstrates that even when tossed to and fro by stormy waves, God is near, and that makes all the difference in the world.     *Prayer and praise for eventide*, compiled by W.
