Web Presence Creating An Ebusiness Out Of Chaos:

Web Presence Peter Small,2001 In this book Peter Small provides a realistic practical alternative strategy to the current boom and bust e business models of acquiring venture capital following a traditional business plan and then failing to make a profit He addresses the timely issue of the co creation of wealth in e businesses for investors creators and customers where profitability rather than technology must lead the way This has to be the key focus for building any sustainable and successful e business model His approach deals directly with the realities of the internet environment where continuous change can render business plans redundant overnight forcing many e business to get sucked into increasing complexity as costs spiral out of control This book shows how to avoid this trap by creating highly flexible low cost systems that are adaptive self organizing and self regulating

Managing (e)Business Transformation Ali Farhoomand,M. Lynne Markus,Guy Gable,Shamza Khan,2021-01-21 Managing e Business Transformation comprises text and cases designed to show students how a business can be transformed into an internetworked enterprise where IT infrastructures are used to link customers suppliers partners and employees to create superior economic value The book is written based on the premise that integrating internet technologies throughout the value chain is crucial to building and managing customer relationships Importantly it underscores the centrality of basic business and economic principles within the context of a networked environment The book builds on established business and economic theories concepts and fundamentals to show that e business will soon be synonymous with business The book takes a strong managerial perspective especially popular with MBA students to argue that the internet is simply an enabling technology which allows firms to build the infrastructure needed to operate in an evolving business world The application of theory concepts is emphasized throughout and contains a range of international case studies enhance the learning experience This book is a must for all students studying e business strategy at undergraduate MBA and postgraduate level Also available is a companion website with extra features to accompany the text please take a look by clicking below <http://www.palgrave.com/business/farhoomand/index.asp>
