**Weight Training for Life** James L. Hesson, 2012      **Body For Life** Bill Phillips, 1999-06-10

Mention the name Bill Phillips to any of the people he's helped transform and you will see their faces light up with appreciation and respect. These people include hundreds of thousands of men and women who read his magazine for guidance and straightforward information about exercise, nutrition, and living with strength. Elite professional athletes among them: John Elway, Karl Malone, Mike Piazza, and Terrell Davis. They have turned to Phillips for clear-cut information to enhance their energy and performance. People once plagued by obesity, alcoholism, and life-threatening ailments who accepted a personal challenge from Bill Phillips and with his help have regained control of their bodies and their lives. When you begin to apply the information in this book, you will be proving to yourself that astounding changes are within your grasp too. And you will discover **Body for LIFE** is much more than a book about physical fitness; it's a gateway to a new and better life, a life of rewarding and fulfilling moments, perhaps more spectacular than you've ever dared to dream before. Within 12 weeks, you too are going to know (not believe, but know) that the transformation you've created with your body is merely an example of the power you have to transform everything else in your world. In language that is vivid and down to earth, Bill Phillips guides you step by step through the integrated **Body for LIFE** Program, which reveals how to lose fat and increase your strength by exercising less, not more. How to tap into an endless source of energy by living with the **Power Mindset™**. How to create more time for everything meaningful in your life. How to trade hours of aerobics for minutes of weight training with dramatic results. How to make continual progress by using the **High Point Technique™**. How to feed your muscles while starving fat with the **Nutrition for LIFE Method™**. How thousands of ordinary people have now become extraordinary and how you can too. How to gain control of your body and life once and for all. The principles of the **Body for LIFE** Program are surprisingly simple but remarkably powerful. So allow yourself to experience the force of the information in this book. Allow yourself to take your mind, your body, your life to a higher point than you may have ever dreamed you could. All in as little as 12 weeks.
