the politics of that volatile era in a local context Black politicians helped by national civil rights figures assumed more power and began improving life for all races in this rural area Then came a betrayal felt by many blacks as these key figures overreached their authority and started pursuing their own selfish agendas An intimate revealing portrait of Charles Evers the first black mayor of Fayette and brother of Medgar Evers is included in this section The memoir goes on to portray how the author learned to hate whites as a result of her experiences and how she later overcame that animosity Wyatt Rossignol s story concludes with her move out of Mississippi to the island of Bermuda where she encountered a very different racial environment     **NEA Journal** National Education Association of the United States,1953     The Standard ,1903
