*Tailgate to Heaven* Adam Goldstein, 2012-07-01 Despite a global recession Englishman Adam Goldstein felt 2008 was the perfect time to invest in his lifelong passion So he sold his flat and left his job and girlfriend in London for American football Goldstein's goal was to achieve what no other fan of American football has accomplished to attend one live National Football League NFL game at every NFL stadium during the regular season plus those played in London and Canada He traveled over 65 000 miles to watch forty football games in eighteen weeks and to experience and understand the phenomenal appeal of

that classic American pastime the tailgate party He drove from stadium to stadium tailgate to tailgate sometimes eight hundred miles a day digesting everything that American football could serve up He met players and extreme fans alike and was party to surreal pregame rituals while absorbing the rich cultural differences of each part of the country During his football odyssey a grueling yet rewarding quest he compared sports traditions and fandom in the United Kingdom and the United States In the process of football self discovery Goldstein often found himself embraced by NFL fans across the continent as if he had the key that unlocked the very meaning of life Tailgate to Heaven is a humorous moving and inspiring story about how nothing closes a culture gap like love of a sport and the camaraderie that comes with it **PC Mag**,2004-11-30 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **PC Magazine**,2007 *National Directory of Bulletin Board Systems*, 1992 Patrick R.
