Who Can You Trust? Rachel Botsman, 2017-11-14 If you can't trust those in charge who can you trust From government to business banks to media trust in institutions is at an all time low But this isn't the age of distrust far from it In this revolutionary book world renowned trust expert Rachel Botsman reveals that we are at the tipping point of one of the biggest social transformations in human history with fundamental consequences for everyone A new world order is emerging we might have lost faith in institutions and leaders but millions of people rent their homes to total strangers exchange digital currencies or find themselves trusting a bot This is the age of distributed trust a paradigm shift

driven by innovative technologies that are rewriting the rules of an all too human relationship If we are to benefit from this radical shift we must understand the mechanics of how trust is built managed lost and repaired in the digital age In the first book to explain this new world Botsman provides a detailed map of this uncharted landscape and explores what s next for humanity **The Hidden Psychology of Social Networks: How Brands Create Authentic Engagement by**

Understanding What Motivates Us Joe Federer, 2020-09-15 From the former Head of Brand Strategy at Reddit comes a proven and thought provoking approach to the digital economy and how brands can create authentic engagement that is rooted in the fundamental motivations behind human psychology Leading marketing practitioner and thought leader Joe Federer draws on evolutionary biology anthropology neuroanatomy and psychology as well as more than a decade of hands on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one With a framework based on Freud s Id Ego and Superego model of the human psyche he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets platforms like Reddit to the unfiltered Id Facebook and Twitter to the managed Ego and Instagram to the ideal Superego In the same way you behave differently when you re home alone out with friends communicating with family or interacting with coworkers people act and express themselves differently in these various online spaces Context matters Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on each social network Learn how to create content that drives sharing and word of mouth how brands can fit natively into different types of social channels how to balance branded social presences across different networks why authenticity will only grow in importance to consumers Fascinating and deeply compelling *The Hidden Psychology of Social Networks* will equip you to make vastly more efficient use of your media buys establish more thoughtful strategies develop better creative and in the end deliver more effective marketing that provides value *Amelia, If Only* Becky Albertalli, 2025-06-10

Amelia Applebaum isn t in love with Walter Holland He just happens to be her favorite moderately famous chaotically bisexual YouTuber Who she just happened to invite to prom But it s fine No for real If you delete the post it didn t happen Okay maybe her friends are right She s slightly parasocially infatuated But Amelia just knows sparks would fly if only she could connect with Walter for real If only he would host a meet and greet If only it were just a short road trip away And if only Amelia could talk her best friends into making it the perfect last hurrah before graduation even her newly single always cynical guitar toting best friend Natalie One thing s for sure All roads lead to butterflies But what if Amelia s butterflies aren t for Walter at all *Early Treatises on the Practice of the Justices of the Peace in the Fifteenth and Sixteenth Centuries* Bertha Haven
