Sweet Surrender Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In *Sweet Surrender* Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage **Busted**

Shiloh Walker, 2015-05-05 From the national bestselling author of *Wrecked* and *Razed* comes an emotionally charged story of undeniable passion and life affirming love Like his brothers Zach and Zane Trey Barnes thought he had found the love of his life But fate had other plans A widower who s had to raise his five year old son on his own Trey has not allowed himself to be with another woman Until he meets Ressa Bliss at of all places a children s library program The beautiful librarian is wonderful with his son Clay but every time Trey even considers asking her out he is tortured by guilt Fate is indeed fickle When the two meet again at a conference this time the attraction is too powerful to resist But is their connection and passion strong enough to survive Trey s deep inner torment **A Letter to My Teenage Daughter** Leigh Magnolia, 2025-11-07

Every scar has a story Leigh was a thriving fourteen year old with everything going for her She was a popular teenager with an abundance of friends She was a starter on her junior high volleyball team played basketball ran track and had recently made the cheerleading squad She maintained excellent grades and set high standards for herself in the classroom One day her older sister introduced her to a teenage boy from a nearby town Leigh felt an instant connection with Chad He was athletically gifted and locally known for his basketball and quarterback skills The relationship felt magical in the beginning but it quickly became extremely toxic after several months Being so young and naive Leigh was groomed to believe that the toxic cycle of emotional abuse was love As her self esteem gradually deteriorated she allowed herself to believe that the relationship would eventually improve and she held onto this false hope for a decade But everything exposed by the light becomes visible and everything that is illuminated becomes a light Ephesians 5 13 14 NLT Chad was narcissistic emotionally abusive deceitful and repeatedly unfaithful After being engaged for almost two years information surfaced that finally gave Leigh the strength to cancel the fast approaching wedding and end the relationship She eventually uncovered an entire web of lies during her search for answers and closure Leigh was able to lean on her faith and her love of music to help her process her way through what felt like the worst pain and the worst betrayal imaginable Even to your old age and gray hairs

I am He I am He who will sustain you I have made you and I will carry you I will sustain you and I will rescue you Isaiah 46 4
 NIV Leigh recently felt convicted to share her untold testimony with her husband and her two teenage daughters She wanted them to see exactly how God wove His goodness into every aspect of her story He faithfully sustained her through some excruciatingly dark and lonely seasons God has continued to walk alongside her through the healing journey Testimonies have the ability to break generational cycles patterns and curses The enemy has never wanted us to become brave enough to share our testimonies publicly Hopefully reading her testimony will inspire others They triumphed over him by the blood of the Lamb and by the word of their testimony Revelation 12 11 NIV Jesus brought the blood We must bring the word of our testimony
