

SWING TIME

BY MICHAEL L. SANDS AND TERRY J. BECKWITH

Swing Time Reginald Marsh And Thirties New York

Whitney Museum of American Art

Swing Time Reginald Marsh And Thirties New York:

Swing Time Barbara Haskell, 2012 *Swing Time Reginald Marsh and Thirties New York* is the first major assessment of the work of American Scene artist Reginald Marsh 1898 1954 in 30 years Focusing on 60 paintings drawings and prints drawn from public and private collections across the U S along with a selection of his photographs and sketches it puts Marsh s exuberant depictions of urban daily life within the context of the economic uncertainty of 1930s America and the work of fellow artists who shared his interest in the New York scene This striking volume sets Marsh s fascinating work of the 1930s alongside paintings prints and photographs of contemporaries such as Isabel Bishop Kenneth Hayes Miller Yasuo Kuniyoshi Walt Kuhn Raphael and Isaac Soyer Guy Pene du Bois Bernice Abbott Aaron Siskind Walker Evans and Arthur Rothstein Together they tell a complex and highly contrasting visual story of New York City life in this tumultuous time of change Book jacket

Freak Inheritance Rosemarie Garland-Thomson, Michael Mark Chemers, Play and Design at the University of California University of California Santa Cruz Michael Mark Chemers, Analola Santana, Associate Professor Department of Theatre Analola Santana, 2024-08-27 In *Freak Inheritance* both leading authors and emerging voices use cutting edge disability and cultural theories to expose the operations of eugenicist thought in historical and contemporary culture It is the follow up to the field defining *Freakery Cultural Spectacles of the Extraordinary Body* 1996 Crossing Broadway Robert W. Snyder, 2014-12-18 Robert W Snyder s *Crossing Broadway* tells how disparate groups overcame their mutual suspicions to rehabilitate housing build new schools restore parks and work with the police to bring safety to streets racked by crime and fear It shows how a neighborhood once nicknamed Frankfurt on the Hudson for its large population of German Jews became Quisqueya Heights the home of the nation s largest Dominican community The story of Washington Heights illuminates New York City s long passage from the Great Depression and World War II through the urban crisis to the globalization and economic inequality of the twenty first century Washington Heights residents played crucial roles in saving their neighborhood but its future as a home for working class and middle class people is by no means assured The growing gap between rich and poor in contemporary New York puts new pressure on the Heights as more affluent newcomers move into buildings that once sustained generations of wage earners and the owners of small businesses *Crossing Broadway* is based on historical research reporting and oral histories Its narrative is powered by the stories of real people whose lives illuminate what was won and lost in northern Manhattan s journey from the past to the present A tribute to a great American neighborhood this book shows how residents learned to cross Broadway over the decades a boundary that has separated black and white Jews and Irish Dominican born and American born and make common cause in pursuit of one of the most precious rights the right to make a home and build a better life in New York City **America After the Fall** Sarah L. Burns, Teresa A. Carbone, Annelise K. Madsen, Sarah Kelly Oehler, 2016-01-01 A unique look at America s quest to carve out an artistic identity during the Depression era Through 50 masterpieces of painting this fascinating catalogue

chronicles the turbulent economic political and aesthetic climate of the 1930s This decade was a supremely creative period in the United States as the nation s artists novelists and critics struggled through the Great Depression seeking to define modern American art In the process many painters challenged and reworked the meanings and forms of modernism reaching no simple consensus This period was also marked by an astounding diversity of work as artists sought styles ranging from abstraction to Regionalism to Surrealism that allowed them to engage with issues such as populism labor social protest and to employ an urban and rural iconography including machines factories and farms Seminal works by Edward Hopper Grant Wood Thomas Hart Benton Georgia O Keeffe Aaron Douglas Charles Sheeler Stuart Davis and others show such attempts to capture the American character These groundbreaking paintings highlighting the relationship between art and national experience demonstrate how creativity experimentation and revolutionary vision flourished during a time of great uncertainty

The Message of the City Patricia E. Palermo,2016-05-27 Dawn Powell was a gifted satirist who moved in the same circles as Dorothy Parker Ernest Hemingway renowned editor Maxwell Perkins and other midcentury New York luminaries Her many novels are typically divided into two groups those dealing with her native Ohio and those set in New York From the moment she left behind her harsh upbringing in Mount Gilead Ohio and arrived in Manhattan in 1918 she dove into city life with an outlander s anthropological zeal reads a recent New Yorker piece about Powell and it is those New York novels that built her reputation for scouring wit and social observation In this critical biography and study of the New York novels Patricia Palermo reminds us how Powell earned a place in the national literary establishment and East Coast social scene Though Powell s prolific output has been out of print for most of the past few decades a revival is under way the Library of America touting her as a rediscovered American comic genius released her collected novels and in 2015 she was posthumously inducted into the New York State Writer s Hall of Fame Engaging and erudite *The Message of the City* fills a major gap in in the story of a long overlooked literary great Palermo places Powell in cultural and historical context and drawing on her diaries reveals the real life inspirations for some of her most delicious satire

For America Jeremiah William McCarthy,Diana Thompson,2019-01-01 Featuring paintings by American icons like Winslow Homer and Thomas Eakins this book illustrates the ways American artists have viewed themselves their peers and their painted worlds over 200 years
