Discover how the Atonement will change your life through not only asking for forgiveness but also seeking to forgive with this insightful book from renowned gospel teacher and scholar Ed J. Pinegar This book will change how you view Christ s atoning sacrifice allowing you to feel of His love and power daily **The Tabernacle in the Wilderness** Willie J. Murphy Jr., 2022-11-03 The Tabernacle is the greatest of all the Old Testament types of Christ As we look closely at its furniture its priesthood and its feast observances we are afforded a glimpse of God s glory His grace and His love for His chosen people

The sacrifices and rituals performed in the Tabernacle in the wilderness only pointed ahead to the time that God would reconcile His people to himself It is in this study of the Tabernacle that tangibles become teachable It is where Old

Testament realities that could be touched become New Testament principles that must be put into practice It is through this study of the Tabernacle that we more fully understand the principle of the actuality of the old depicts the spirituality of the new In this study we get to see Jesus Christ His purpose and process of redemption His plan of salvation and His role as Savior The Tabernacle is a study of God s masterpiece of typography To come away from a study of the Tabernacle as an expert in the Tabernacle and still not understand how to approach and worship the Creator and having not experienced Jesus during your study will basically have been an exercise in futility The purpose of this study is not to acquire knowledge for the sake of having more knowledge It is not to make one a Bible scholar on the Tabernacle Instead the purpose of this study is to reveal Jesus throughout the Tabernacle and to enhance both one s corporate and individual worship experiences It is my sincerest hope and prayer that this book will give you a fresh perspective of worship a better understanding of His holiness and a renewed respect for the presence of God *Exodus (chap. XII), Leviticus, Numbers and Deuteronomy*, 1889 **The Bible-work** James Glentworth Butler, 1892 **The Baptist Argus**, 1900 Clean Rosser K Powitzky, 2025-09-21 The mechanism of Christ s atonement continues to be a source of controversy and confusion in the church While some Christians intuitively sense injustice and or incoherence in their understanding of atonement other believers simply lack clarity regarding how Christ s life death resurrection ascension blood and priesthood all somehow work together to save us from sin This book explores the Torah s framework of atonement to elucidate how the Jewish apostles would have understood the mechanism of removing sin through Christ s sacrifice and priestly ministry Concise and to the point CLEAN offers a fresh biblical perspective of Christ s atonement that helps connect the Old and New Testament into one unified story

**Reconsidering the Atonement** Lynn Maren Hofstad, Graduate Theological Union, 2013 The symbol of the cross has been for many a symbol of hope and God s forgiveness At the same time recent work in feminist and womanist theology asserts that rather than serving as a hopeful sign of forgiveness and a guide for how one should understand salvation atonement theology and the symbol of the cross in particular has been used to foster violence abuse subjugation and dependence This dissertation examines the symbolic nature of atonement theology and asks if the multiple problems presented by feminist and womanist theologians with regard to the atonement are caused not by the symbols but permitting the symbols to slide from a multivalent symbolic understanding to a literal univocal one This dissertation explores how symbol including metaphorical language has been understood to function in Christian theology with extensive analyses of Paul Ricoeur Paul Tillich and Sallie McFague It examines the use of symbolic language as it applies to the atonement in the theology of Colin Gunton I argue that understanding symbol solely in terms of its multivalency rather than reducing it to a univocal literal meaning helps mitigate the issue of the cross as a symbol of atonement and the metaphors used to describe atonement as perpetuating abuse as is articulated by some current feminist and womanist theologians **Atonement Theories** Ben Pugh, 2015-02-26 With the subject of the atonement of Christ attracting such a lot of polemical work at this

time it is easy to conclude that the current debate is generating more heat than light Atonement Theories presents the beginning student pastor or researcher with an accessible and fair treatment of every school of thought on this subject Atonement Theories significantly updates previous histories of the doctrine providing analysis of some fascinating and highly significant recent developments It also intriguingly highlights at various points where aspects of this central message of Christianity might find a connection within contemporary culture It aims to empower the reader to quickly gain a working knowledge of current debates and the history behind them *Atonement, Law, and Justice* Adonis Vidu, 2014-08-12 Adonis Vidu tackles an issue of great current debate in evangelical circles and of perennial interest in the Christian academy He provides a critical reading of the history of major atonement theories offering an in depth analysis of the legal and political contexts within which they arose The book engages the latest work in atonement theory and serves as a helpful resource for contemporary discussions This is the only book that explores the impact of theories of law and justice on major historical atonement theories Understanding this relationship yields a better understanding of atonement thinkers by situating them in their intellectual contexts The book also explores the relevance of the doctrine of divine simplicity for atonement theory

**Mapping Atonement** William G. Witt, Joel Scandrett, 2022-10-04 This introduction traces the origins development and divergent streams of atonement theology throughout the Christian tradition and proposes key criteria by which we can assess their value The authors introduce essential biblical terms texts and concepts of atonement identify significant historical figures texts and topics and show how various atonement paradigms are expressed in their respective church traditions The book also surveys current hot topics in evangelical atonement theology and evaluates strengths and weaknesses of competing understandings of atonement *Interpreting the Symbols and Types* Kevin J. Conner, 1992 In this easy to use reference guide Kevin Conner clearly presents the richness of scriptural truth to assist Christians in understanding the use of signs and symbols in God's Word **The Double Search** Rufus Matthew Jones, 1906

**Interpreting the Atonement** Robert H. Culpepper, 1966 In this widely praised volume Robert H Culpepper places the doctrine of the atonement at the center of the Christian faith and carries on his discussion of it against the background of a biblical understanding of sin presenting the Old Testament foundations the New Testament witness and various historical interpretations He concludes with a constructive statement of the doctrine that will serve the reader well as a guide to a deeper understanding of Christianity and its practice in today's world I regard this as the ablest and most helpful general work on the doctrine of the atonement that is currently available The treatment is judiciously balanced between the biblical historical and reconstructive aspects of the subject W Boyd Hunt Southwestern Baptist Theological Seminary Comprehensive and balanced in its approach Biblically grounded A solid helpful study I John Hesselink Western Theological Seminary Robert H Culpepper served as a Southern Baptist missionary and seminary teaching in Japan for thirty years before returning permanently to the United States in 1980 He is professor emeritus at Southeastern Baptist Seminary Wake Forest North

Carolina     **The Atonement** David L. Allen, 2019-04-01 In this accessible resource author David L Allen carefully summarizes the doctrine of the atonement with definitions of key terms discussion of key Old and New Testament texts and a survey of the historical theories of the atonement     **At-1-Ment** JIM. ROBINSON, 2025-09-04 This thought provoking book offers a progressive Christian response to Penal Substitutionary Atonement PSA challenging its dominance in modern theology While atonement theories throughout church history have been divisive and often cherry picked from Scripture this book offers a broader biblical vision one grounded in a consistent trajectory of grace From the creation story and the Abrahamic Covenant to the messages of the Hebrew prophets and the life of Jesus the author traces a more holistic understanding of atonement one rooted not in original sin but in divine blessing Exploring three key eras Patristic Medieval and Post Enlightenment the book reveals that each atonement theory offers a metaphor a glimpse into the divine mystery Rather than settling for a single lens it invites readers into a deeper richer understanding of God s relationship with humanity one that transcends punishment and reflects the promise that through Abraham all nations of the earth will be blessed Genesis 12 3
