The Pilgrim Path Five Discipleship Plays

The Pilgrim Path Five Discipleship Plays:

The Drama of Preaching Eric B. Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God's redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching The Drama of Preaching interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word *The Priest and His Disciples* Hyakuzō Kurata, 1922

American Book Publishing Record , 2007 *The Sovereign God and the Christian Disciple* Robert M Solomon, The sovereignty of God is a doctrine that has been debated by Christians for centuries For some this remains a passionate topic creating different camps among Christians endlessly arguing about whether God's sovereignty and human free will can coexist For the majority the doctrine is a vague concept that remains to be explored This book deals with these issues by examining what the Bible says about God's sovereignty and human responsibility It explores the sovereignty of God by looking at God as the Creator Saviour Shepherd and Judge and tackles questions that commonly emerge If we believe that God is truly sovereign then we must live out the implications by living faithfully and responsibly by trusting and obeying Him amid the challenges of life praying to Him sharing about Him with others and serving and hoping in Him Our relationship with Him is an important way to understand how His grace purpose and power invite us to respond responsibly to Him in active discipleship

Community of Missionary Disciples Bevans, Stephen B., 2024-04-17 Ecclesiology from a mission perspective *Image and Imagination in Byzantine Art* Henry Maguire, 2023-05-31 The twelve studies contained in this second collection by Henry Maguire are linked together by a common theme namely the relationship of Byzantine art to the imaginary They show how art enabled the Byzantines not only to imagine the sacred events of the past but also to visualize the invisible present by manifesting the spiritual world that they could not see The articles are grouped around the following five topics the depiction of nature by the Byzantines before and after iconoclasm especially in portrayals of the earthly and the spiritual Paradise the social functions and theological significance of classical artistic forms in Byzantine art after iconoclasm the association between rhetoric and the visual arts in Byzantium especially in contrast to the role played by liturgical drama in western medieval art the relationship of the visual arts to Byzantine concepts of justice and the law both human and divine and portrayals of the two Byzantine courts the imperial court on earth and the imagined court in heaven
