BEYOND THE STORM_the untold story 6 **To Africa & Beyond** Joseph Meyers,2014-03-31 To Africa and Beyond Walking Through The Storms of Life With a Thankful Heart is a book about pilgrimage physical psychological and spiritual It is about travel adventure and personal fulfillment It is about helping people on three continents through their challenges of discouragement and confusion while experiencing violent mental and emotional storms in my own life More importantly it is a book about choices and consequences and lessons learned throughout a life of high adventure coupled with gut wrenching grief which could easily have pushed me into mistrust of God people or cynicism skepticism or fear or self pity It is a book about how Gods Love Grace and active Sovereignty in my life was able to pull me through the knot hole of suffering that at times threatened to engulf my soul will emotions intellect and rather to help me stand on my feet through Faith in God I was enabled to hold on to the concept that God is a good God and the Devil is a bad devil in this broken world as well as the internal choice not to quit because quitting would be worse than continuing This I know the most important most faith filled prayer anyone can pray is Lord not my will but yours be done in my life I know this too that God will usually not act sovereignly in our lives unless we have invited Him to do so All of this was done while living in North America and West Africa as well as extensive travel and ministry in Thailand India Cambodia and Vietnam My hope is that what you read in this book will help you in your own pilgrimage through life on earth *The Rise and Fall of the "Union Club"* James S.
