Weight The Myth Of Atlas And Heracles The Myths

John Kinsella

Weight The Myth Of Atlas And Heracles The Myths:

Weight Jeanette Winterson, 2010-11-05 The story of Atlas and Heracles Atlas knows how it feels to carry the weight of the world but why he asks himself does it have to be carried at all In *Weight* visionary and inventive yet completely believable and relevant to the questions we ask ourselves every day Winterson's skill in turning the familiar on its head to show us a different truth is put to stunning effect When I was asked to choose a myth to write about I realized I had chosen already The story of Atlas holding up the world was in my mind before the telephone call had ended If the call had not come perhaps I would never have written the story but when the call did come that story was waiting to be written Rewritten The recurring language motif of *Weight* is I want to tell the story again My work is full of Cover Versions I like to take stories we think we know and record them differently In the retelling comes a new emphasis or bias and the new arrangement of the key elements demands that fresh material be injected into the existing text *Weight* moves far away from the simple story of Atlas's punishment and his temporary relief when Hercules takes the world off his shoulders I wanted to explore loneliness isolation responsibility burden and freedom too because my version has a very particular end not found elsewhere from Jeanette Winterson's Foreword to *Weight*

Weight Jeanette Winterson, 2008 Atlas knows how it feels to carry the weight of the world but why he asks himself does it have to be carried at all And when you have eternity to ponder this question the brief reprieve offered by Heracles the only man strong enough to borrow the burden can force you to demand an answer from the Gods *Weight* Jeanette Winterson, 2005 Atlas knows how it feels to carry the weight of the world but why he asks himself does it have to be carried at all And when you have eternity to ponder this question the brief reprieve offered by Heracles the only man strong enough to borrow the burden can force you to demand an answer from the Gods **Critical**
