IPad For Seniors For Dummies Jesse Feiler, 2016-12-27 Take full advantage of your iPad by learning to browse the Web keep up with social media FaceTime chat with your grandkids challenge your brain with games and iBooks set up your iCloud share photos with friends and more **Facebook for Seniors: Beginner's Guide** Matthew Hollinder, 2015-04-10 Facebook is the most popular online social network Originally developed to connect college students Facebook is used by different

people from around the world amounting to its 1.39 billion users. The website gained popularity by providing an easy means of communication between people. Instead of having to send several messages to different people about how you are doing, you can post one update on Facebook to alert everyone. It also allows you to share pictures and other media with multiple people simultaneously, creating simpler and faster communication. More and more people join the network daily, and the fastest growing demographic of users are in the age group of 55 and over, proving that Facebook is no longer a network limited to teenagers and young adults. People of all age groups and backgrounds recognize the value in the services it provides, which is why Facebook has become a social buzzword because of its prominence in modern culture and interaction.

The Rough Guide to Social Media for Beginners Sean Mahoney, 2012-07-05 If you haven't joined the social media revolution yet, don't fret, there's still time. But with so much out there, where do you even start? Something more than a text message, something less than a phone call, not engaging in these new types of online social messaging could mean you are missing out on the action without either friends or followers. Business, leisure and everything in between is covered and this guide walks the uninitiated through setup to maintenance and gives you the skills to make your pages lively and relevant to the people you know or work with and the folk you're about to meet or reach out to. The term social media covers an ever-expanding suite of apps, blogs and wikis, but this book focuses on the most popular and personal forms of social media: Facebook and Twitter. Significant attention is also paid to Google, the latest direct challenge to Facebook's overwhelming dominance of social networking. Start connecting now with *The Rough Guide to Social Media for Beginners*. Now available in ePUB format.
