*Feeling prepared for what to expect on the test  
by engaging in practice can help ease anxiety on test day.*

*It is true that some colleges no longer have a test score requirement for admission, however test scores are often still a key factor when considering students for scholarships and placement in competitive degree programs.*

*ACT scores can be a part of what you submit when applying to both technical colleges and 4-year universities. Without a previously recorded standardized test score, you may need to take a test at the time of admission.*

***Contact Ms. McNulty or Ms. Houwers if you have any questions.***

***\*A second ACT Workshop will be held on February 4***
