Digital Therapies in Psychosocial Rehabilitation and Mental Health Marques, António,Queirós, Ricardo,2021-12-10 Digital health is the convergence of digital technologies with health to enhance the efficiency of healthcare delivery and make healthcare

more personalized and precise. These technologies generally focus on the development of interconnected health systems to improve the use of computational technologies smart devices computational analysis techniques and communication media to help healthcare professionals and their patients manage illnesses and health risks as well as promote health and well being. Digital tools play a central role in the most promising future healthcare innovations and create tremendous opportunities for a more integrated and value based system along with a stronger focus on patient outcomes and as such having access to the latest research findings and progressions is of paramount importance. Digital Therapies in Psychosocial Rehabilitation and Mental Health introduces the latest digital innovations in the mental health field and points out new ways it can be used in patient care while also delving into some of the limits of its application. It presents a comprehensive state of the art approach to digital mental health technologies and practices within the broad confines of psychosocial and mental health practices and also provides a canvas to discuss emerging digital mental health solutions propelled by the ubiquitous availability of personalized devices and affordable wearable sensors and innovative technologies such as virtual and augmented reality mobile apps robots and intelligent platforms. It is ideal for medical professors and students researchers practitioners of healthcare companies managers and other professionals where digital health technologies can be used.

31 Days of Mental Health Moments Lori Miller, 2019-12-07

Do you ever have those days where you feel overwhelmed and overrun by everything on your plate? Do you feel like if you could just get a minute you could figure out how to feel less anxious and stressed out? Before you can find a minute you need to find a moment. 31 days of Mental Health Moments helps you do just that. This daily self help guide is like a devotion for good mental health. Each day will give you a month of tips and perspectives that you can easily carry into each day for good mental health. Learn how to Recognize errors in your thinking that can trip you up at home and at work. Develop practices to help you stay calm in your most challenging stressful moments. Create rituals to find some sanity in each crazy day. Practice giving yourself and others grace. Each day contains information to help you understand and process the stressors you may encounter each day. Then each daily moment is followed by actions you can take right now to get your mind focused on healthy behaviors and thoughts. You're not obligated to live a crazy busy life. Use a few moments over the next 31 days to get closer to where you want to go.
