The Long-term Budget Outlook, 2015 Budget and Economic Outlook 2018 to 2028

Government Publications Office, 2018-07-27 The Congressional Budget Office CBO routinely presents the latest possible forecast of economic activity projected a decade in advance These forecasts are continually updated to reflect social political and economic changes that could impact financial reporting results

Long-Term Budget Outlook Joyce Manchester, 2010-11 Examines the pressures on the federal budget by presenting projections of federal spending and revenues over the coming decades An aging population and rapidly rising health care costs will sharply increase federal spending for health care programs and Social Security Such spending will cause federal debt to grow to unsustainable levels

Policymakers will need to let revenues increase substantially decrease spending significantly or adopt some combination of those two approaches
