**Information Technology Law in the United States of America** McKay Cunningham, Timothy Murphy, 2022-09-20 Derived from the renowned multi volume International Encyclopaedia of Laws this practical guide to information technology law the law affecting information and communication technology (ICT) in the United States of America covers every aspect of the subject including the regulation of digital markets, intellectual property rights in the digital context, relevant competition rules, drafting and negotiating ICT related contracts, electronic transactions and cybercrime. Lawyers who handle transnational matters will appreciate the detailed explanation of specific characteristics of practice and procedure. Following a general introduction the monograph assembles its information and guidance in six main areas of practice: 1. the regulatory framework of digital markets including legal aspects of standardization, international private law applied to the online context, telecommunications law, regulation of audio visual services and online commercial platforms; 2. online public services including e-government, e-health and online voting; 3. contract law with regard to software, hardware, networks and related services with special attention to case law in this area; 4. rules with regard to electronic evidence, regulation of electronic signatures, online financial services and electronic commerce; 5. software protection, legal protection of databases or chips and other intellectual property matters; 6. the legal framework regarding cybersecurity and 6. the application of criminal procedure and substantive criminal law in the area of cybercrime. Its succinct yet scholarly nature as well as the practical quality of the information it provides make this monograph a valuable time saving tool for business and legal professionals alike. Lawyers representing parties with interests in the United States of America will welcome this very useful guide and academics and researchers will appreciate its value in the study of

comparative law in this relatively new and challenging field

### **The Silent Wife**

Karin Slaughter,2020-08-04 WATCH WILL TRENT ON ABC The 1 New York Times bestselling author of Pieces of Her returns with the next novel in the Will Trent series that comes with just the right amount of twists turns shocks surprises and domestic thrill and shrill Parade He watches He waits Who will be next THE SILENT WIFE Investigating the killing of a prisoner during a riot inside a state penitentiary GBI investigator Will Trent is confronted with disturbing information One of the inmates claims that he is innocent of a brutal attack for which he has always been the prime suspect The man

insists that he was framed by a corrupt law enforcement team led by Jeffrey Tolliver and that the real culprit is still out there a serial killer who has systematically been preying on women across the state for years If Will reopens the investigation and implicates the dead police officer with a hero s reputation of wrongdoing the opportunistic convict is willing to provide the information GBI needs about the riot murder Only days ago another young woman was viciously murdered in a state park in northern Georgia Is it a fluke or could there be a serial killer on the loose As Will Trent digs into both crimes it becomes clear that he must solve the cold case in order to find the answer Yet nearly a decade has passed time for memories to fade witnesses to vanish evidence to disappear and lies to become truth But Will can t crack either mystery without the help of the one person he doesn t want involved his girlfriend and Jeffrey Tolliver s widow medical examiner Sara Linton When the past and present begin to collide Will realizes that everything he values is at stake      **Der Spiegel** Rudolf Augstein,2020
