Terry Deadrick-Leonard, 2020-12-17 America What Were You Thinking is a sweeping historical investigation into what is arguably the largest social experiment in the history of civilization the American melting pot With an intentionally provocative title and a purposefully long winding subtitle America What Were You Thinking challenges readers to confront the contradictions embedded in the nation s most celebrated experiment one that claimed to usher in freedom while refusing to construct the conditions that make freedom sustainable Beginning with the emancipation of 3 953 761 enslaved Africans and African Americans Terry Deadrick Leonard examines what truly happened when a nation attempted to fold the formerly enslaved into the same social political economic and cultural structures designed by and for their former enslavers overseers drivers and enforcers Drawing on archival research quantitative analysis and narrative storytelling the book reveals how emancipation created legal freedom without structural equity leaving millions to navigate conditions that looked strikingly similar to those before freedom Deadrick Leonard frames America as a living body and identifies five arteries social change politics economics religion and sports that expose the nation s moral pulse and civic health from 1865 to the present The book probes modern fault lines including the social construct of race nationalism and Christian nationalism the Southern Strategy DEI debates immigration politics the
