**What Makes Love Last?** John Gottman, Nan Silver, 2012-09-04 A world renowned relationship expert shares his research about love and what it takes to develop a trustful intimate and emotionally fulfilling bond. In this insightful book celebrated research psychologist and couples counselor John Gottman plumbs the mysteries of love and shares the results of his famous Love Lab. Where does love come from? Why does some love last and why does some fade? And how can we keep it alive? Based on laboratory findings this book shows readers how to identify signs behaviors and attitudes that indicate a fraying relationship and provides strategies for repairing what may seem lost or broken.

*The Couple's Guide to Love and Understanding* Sonya Jensen LMFT, 2024-12-24 Build stronger communication and a brighter future together with this guide to reconnecting as a couple. Every couple has trouble connecting sometimes. We all have our own personalities and experiences that affect how we communicate which means finding the best way to stay on the same page just takes a little practice. This workbook is filled with advice and activities to help you have honest conversations, overcome conflicts and become closer and happier than ever. How to talk to your partner. Learn what it means to communicate effectively like understanding each other's communication style, listening attentively and keeping an open mind. Ongoing relationship skills. Try out checklists, journal entries and exercises with space for both of you to respond that put your new knowledge into practice. You're in this together. Find guidance that works for any couple no matter their background or lifestyle, along with stories from other couples that have used these techniques with great success. Grow closer to your partner through this supportive couple's therapy workbook.

**The Enlightened Marriage** Jed Diamond, 2016-08-22 Love and marriage are two of the greatest gifts life has to offer yet too many marriages fail because couples don't fully understand the five stages of relationships. Because most of us have had hurtful experiences in past relationships often going back to childhood we develop an inaccurate love map that causes us to get off track when the stresses of life increase. For more than 40 years Jed Diamond has been helping couples repair even the most damaged relationships and reweave the broken strands of marriage. In *The Enlightened Marriage* Dr. Diamond will help you get through Stage Three Disillusionment without losing your love. Understand that when your partner says I love you but I'm not in love with you anymore it is not the end but the beginning of Stage Four Real Lasting Love. Learn why healing childhood wounds is the greatest gift of love you can give and receive from your partner. Recognize and address the mid life stresses of menopause, irritable male syndrome and male type depression. Follow your calling in Stage Five to make a real difference in the world.

**Triumph of the Heart** Megan Feldman Bettencourt, 2016-08-09 2016 Books For A Better Life Award winner Drawing on the latest research and remarkable tales of forgiveness from around the world journalist Megan Feldman explores how forgiveness when practiced in the right ways can save lives, make us happier and healthier and lead to a better world. Veteran journalist Megan Feldman was still smarting over a bitter breakup when she began working on a feature article about a father named Azim who had truly forgiven the

man who killed his son She had found herself totally and completely unable to forgive her ex boyfriend and yet Azim had managed to forgive his own son s murderer Forgiveness has long been touted by religious leaders as a moral imperative But Megan wanted to know exactly what it means from a scientific perspective and why forgiving those who have wronged you is one of the best things you can do for yourself In *Triumph of the Heart* Feldman embarks on a quest to understand this complex idea drawing on the latest research showing that forgiveness can provide a range of health benefits from relieving depression to decreasing high blood pressure The journey takes her from New Zealand and the Maori who practice their own form of restorative justice to a principal in Baltimore who uses forgiveness techniques to eradicate violence in her school and to recovered addicts who restarted their lives by seeking and receiving forgiveness She travels to Rwanda to learn about forgiveness in the face of unthinkable atrocities This book is a guide for how the practice of forgiveness can help us all in our search for a satisfying fulfilling good life
