What The Church Forgot To Remember The Misplaced Priorities:

What the Church Forgot to Remember Peter Triolo Jr.,2012-09-13 Christianity has gone from orthodoxy to evangelical crusades from great demonstrations of miracles to signs and wonders and to the promoting of prosperity in the body of Christ The ideals of honesty and fundamental truths have been replaced by what we think and feel The truth has been reduced to whether or not it is relevant in our society The mindset is if it feels right do it even if it is wrong Moral stability has been replaced by anything goes We have misplaced things important to Christ In What the Church Forgot to Remember author Peter Triolo Jr presents the truth about the how and why of Christianity and provides a reminder to what should be close to our hearts regarding Jesus and His church Through scriptural examples Triolo shows how the truth can be found in the Bible through Gods own words What the Church Forgot to Remember reminds us that before there was time God loved us and that love is everlasting Theres still time to change the fast food mentality of what we want and get back to what God wants

The Communion Connection Relating to Jesus and One Another Peter Triolo Jr.,2015-10-21 When we celebrate communion is there a connection with anyone or anything How do we connect The body of Christ is often spoken as being connected often like how the human body works How many times do we go through the motions and not feeling a connection to anything With Christian communion is much to discover In the Communion Connection you will experience from being a friend to Jesus to the completion of your Faith You will come away with a new perspective on many different avenues of Connecting the Jesus and one another My point for this book is to keep communion uncomplicated simple and complete Communion is about fellowship and connecting with Jesus and one another The most notable aspect of partaking communion is the premise of this book The elements of the bread and cup are symbolic nothing more Within the chapters are aspects of why and how we partake of this tender and loving celebration For the Lord Jesus it was just that It was an emotional moment with His friends as the last day of fellowship prior to the Crucifixion

Korean American YWCA and the Church Hwain Chang Lee,2000-08-02 In an attempt to bring the YWCA and the Christian church into a fuller dialogue Hwain Chang Lee has written a book which traces their respective historical evolutions and changing understanding of their missions She concludes that the YWCA while ministering to Christian women in a unique manner should recognize and affirm their dependence upon the church Similarly she proposes that the church as a safe guard of sacred memories should recognize its dependence upon non orthodox mission groups The author intertwines her own life story with the history of these groups as a woman deeply affected by both communities
