What You Were Childrens Imagination:

Rewilding Children's Imaginations Pia Jones, Tamsin Cooke, Sarah Pimenta, 2023-07-14 **Rewilding Children's Imaginations** is a practical and creative resource designed to engage children in the natural world through folktales storytelling and artmaking. The guide introduces 21 folklore stories from across the world alongside 99 creative activities spanning nature and the four seasons of the year. Using the lens of folktales and myths of the land, children are encouraged to explore a variety of activities and exercises across different arts media from visual art making to storytelling, drama and movement. This resource helps teachers and group facilitators to build confidence in offering a range of creative learning experiences inspired by nature. Provides a collection of easy to use cross curricular and storytelling activities. Allows children to connect with nature, their imagination and folktales from around the world. Builds new skills in oracy, artmaking, collaboration, wellbeing, care of the environment, diversity, respect and tolerance and more. Inspires children to tell stories and make art both individually and collaboratively, helping them build confidence as active creators in their community. Shares creative tools and positive learning experiences to inspire children, teachers and parents across the school year. **Rewilding Children's Imaginations** brings together nature, art and oral storytelling in easy and accessible ways to help children connect with the world around them as well as with their own emotional landscapes. It is essential and enjoyable reading for primary teachers and early years professionals, outdoors practitioners, therapists, art educators, community and youth workers, home schoolers, parents, carers and families.

The Lifegiving Collection: The Lifegiving Home / The Lifegiving Table / The Lifegiving Parent Sally Clarkson, Clay Clarkson, Sarah Clarkson, 2019-01-08 This collection of lifegiving titles offers a great value and includes three books: *The Lifegiving Home* by Sally and Sarah Clarkson, *The Lifegiving Table* by Sally Clarkson and *The Lifegiving Parent* by Clay and Sally Clarkson. *The Lifegiving Home*: Every day of your family's life can be as special and important to you as it already is to God. In this unique book designed to help your family enjoy and celebrate every month of the year, you'll discover the secrets of a life giving home from a mother who created one and her daughter who was raised in it. *The Lifegiving Table*: In *The Lifegiving Table*, Sally shares her own family stories, favorite recipes and practical ideas to help you get closer to the people you love and to help you grow in faith together. *The Lifegiving Parent*: The key to shaping a heart begins at home as you foster a deep and thoughtful God-infused relationship with each child. Filled with biblical insight and classic Clarkson stories, *The Lifegiving Parent* will equip you with the tools and wisdom you need to give your children much more than just a good Christian life. You'll give them the life of Christ.

Literacy in the Early Years Claire J. McLachlan, Alison W. Arrow, 2016-11-07 This edited collection provides an in-depth exploration of different aspects of contemporary early childhood literacy research and the implications for educational practice. Each chapter details how the research was conducted and any issues that researchers encountered in collecting data with very young children, as well as what the research findings mean for educational practice. It includes photographs of effective literacy practice, detailed

explanations of research methods so the studies can be replicated or expanded upon and key features for promoting effective literacy practice in early childhood settings This book is an essential read for everyone who is interested in exploring the complexities and challenges of researching literacy acquisition in the youngest children **Constructing a Paradigm for Children's Contextualized Learning** Li Jilin,2017-08-22 This book focuses on summarizing four elements from the classic Chinese literary theory truth beauty emotion and imagination Based on the latest findings from learning sciences and brain science it elaborates on the reasons for creating contexts in language teaching It also shows how the aesthetical theories can be used to nurture contextualized instruction and presents six major approaches for creating contexts creating contexts with real objects representing contexts with pictures evoking contexts with music experiencing contexts with acting unfolding contexts with real life and describing contexts with languages The author is a practitioner with over 30 years of practical research experience and all their studies are discussed in this book **William De Morgan and His Wife** Anna Maria Diana Wilhelmina Pickering Stirling,1922 The Kindergarten-primary Magazine Bertha Johnston,E.
