When Sorrow Judith Reynolds Brown:

When Sorrow Is Joy Judith Reynolds Brown, 2015-11-25 From the author This book began as a memoir of my high school years 1944 to 1947 It was written because I've always been grateful to have been part of a Church Youth Group that empowered me to give me a sense of purpose Soon the book began to develop a thesis if parents want to help their adolescent children gain confidence and maturity they need to help the child connect with some organized community be it an orchestra a chorus a sport whatever makes the child want to work at that community's purpose I believe adolescents need to gain the idea that they are not loners but successful participants in their chosen community's world **The Scroll of Phi Delta Theta**
