all that separates us from ourselves and the life we want is illusion This revised edition written with Ashwini Narayanan includes instruction and exercises in Recording and Listening a powerful practice for supporting the challenging work of looking inward

Trying to Be Human Cheri Huber,2023-07-03 This funny engaging guide to the basics of Buddhist meditation presents the idea that people are not human beings trying to be spiritual but spiritual beings trying to be human That is instead of striving toward an ideal image of ourselves people might aim simply to see more clearly what being human is all about including what impels striving

You re Falling Dive is a beautifully written guide to putting the pain we all experience in life to positive use Based on interviews accounts and his own hard won experience Mark Matousek uncovers the power of drawing passion beauty and wisdom from the unlikely of places Discover your own inner strength and start living a life of effortless grace When You re Falling Dive features contributions from Joan Didion Elie Wiesel Isabel Allende Eckhart Tolle Jon Kabat Zinn and Sogyal Rinpoche as well as many other incredible stories from sources known and unknown of life s incredible power to renew

Falling for the Right One Danita Sims,2019-06-25 Danita wrote this book during her time of singleness in order to inspire other Christians who are in the midst of seeking answers from God after great loss Although not your typical love story Danita expresses her journey in an authentic way As a misguided youth single woman ex wife and a baby momma BM the author describes her unpredictable journey to love and self discovery This is a true story told from one person s perspective that focuses on faith personal development self reflection and practical wisdom with Biblical truths Be open to the possibility of doing life different in order to get the most out of your experiences and unlock your true identity Rejection has been present in the author s life from a very early age and although it felt unfair and overwhelming at times it was also preparation for God s favor something the world cannot comprehend and often despises Therefore when it was time for elevation which sometimes calls for isolation there may be conspiring plans against our potential However developing a habit of forgiveness with release of bitterness anger and condemnation allows for the development of a most effective leader and vessel for the Kingdom of God
