Their stories are often reduced to a few short lines in news articles at the time of arrest or conviction. But what happened before in the lives of the convicted? What has happened after? How have people in prison dealt with the harm they have caused and the harm they have suffered? What does forgiveness mean to them? Expanding on his MPhil dissertation *Echoes from Exile with Distinction* from Trinity College Dublin Michael McRay's important new book brings the perspectives and stories of fourteen Tennessee prisoners into public awareness. Weaving these narratives into a survey of forgiveness literature McRay offers a map of the forgiveness topography. At once storytelling academic activism and cartography McRay's book is as necessary as it is accessible. There is a whole demographic we have essentially ignored when it comes to conversations on forgiveness. What would we learn if we listened
