## **Where Bears Roam The Streets:**

**Where Bears Roam The Streets** Jeff Parker, 2014-06-03 Parker's exquisitely titled book is as off kilter as a Kurt Vonnegut novel and wholly absorbing Maclean's. Jeff Parker went to Russia intending to write a book about the country's resurgence as a major global superpower under President Vladimir Putin and about the emergence for perhaps the first time in history of a Russian middle class. But Russia tends to resist any attempt to pin it down. In the midst of the social and financial upheaval of the years that followed the answers Parker sought only raised more questions. What was Russia? How did it work? How did people live? And how could they eat kholodetz meat jelly? As tensions strain once again between Russia and the West, Parker looks beyond the global politics to the heart of everyday life by giving us the story of his friendship with Igor, a barkeep and draft dodger. Igor is not the model perestroika generation man nor some kind of Putin era everyman; he is like The Dude in *The Big Lebowski*, a man for his time and place. He is the metaphor for a Russia in crisis, and as Keith Gessen wrote, his story is the story of Russia over the last twenty years. *Where Bears Roam the Streets* gives a moving account of a friendship between two people who grew up on the opposing sides of the Cold War and paints a smart, funny, revealing portrait of a country that continues to beguile. **Better Roads and Streets**, 1916 *The Last House on Needless Street* Catriona Ward, 2021-09-28 The buzz is real. I've read it and was blown away. It's a true nerve shredder that keeps its mind blowing secrets to the very end. Stephen King, Winner of the British Fantasy Award for Best Horror Novel, A World Fantasy Award Finalist, An Indie Next Pick, A LibraryReads Top 10 Pick, A Library Journal Editors' Pick, STARRED reviews from Library Journal and Publishers Weekly. Named one of the 50 Best Horror Books of All Time by Esquire. Brilliant, a deeply frightening deconstruction of the illusion of the self. The New York Times. Catriona Ward's *The Last House on Needless Street* is a shocking and immersive read, perfect for fans of *Gone Girl* and *The Haunting of Hill House*. In a boarded-up house on a dead-end street at the edge of the wild Washington woods lives a family of three: A teenage girl who isn't allowed outside not after last time. A man who drinks alone in front of his TV, trying to ignore the gaps in his memory. And a house cat who loves napping and reading the Bible. An unspeakable secret binds them together, but when a new neighbor moves in next door, what is buried out among the birch trees may come back to haunt them all. The new face of literary dark fiction. Sarah Pinborough. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *The Sea Elephants* Shastri Akella, 2025-08-30 Shagun knows he will never be the kind of son his father demands. After the agonizing deaths of his beloved twin sisters, he flees his own guilt, his mother's grief, and his father's violent disapproval by enrolling at an all-boys boarding school. He forms tumultuous and eye-opening relationships there but doesn't find true belonging till he encounters a traveling theater troupe performing the myths of his childhood. Welcomed by other storytellers, Shagun thrives easily embodying mortals and gods, men and women, and embraces a life on the move far from his father's clutches. When Shagun meets Marc, a charming photographer, he seems to have found the love he always longed for. But not even Marc can

save him from his lingering shame nor his father's ever present threat to send him to a conversion center As Shagun's past begins to engulf him once again he must decide if he is strong enough to face what he fears most and to boldly claim his own happiness Set in 1990s India *The Sea Elephants* is an utterly immersive and spellbinding novel both dark and beautiful harrowing and triumphant An ode to the redemptive joys of storytelling Shastri Akella's soulful debut is a celebration of hard won love of others and for ourselves
