While I Live John Marsden, 2008 Even though the war is over and she is back on her family's farm Ellie Linton is haunted by the memories and now must discover how to find the enemy within herself in order to move on with her life

While I Live: The Ellie Chronicles 1 John Marsden, 2010-09-01 The follow up to the bestselling Tomorrow series BOOK 1 IN THE ELLIE CHRONICLES TRILOGY Addictive reading Sydney Morning Herald Australia's king of young adult fiction The Australian We were halfway up the spur when we heard it Homer and Gavin and I just the three of us I'd say there were fifteen shots in the first volley evenly spaced lasting about twenty five seconds All the way down the spur I'd heard the scattered shots getting closer as I got closer and all the way down I tried to think of reasonable explanations for them and I couldn't think of a single thing that made sense The town of Wirrawee is emerging from war slowly like a flower after a cold snap Businesses are starting to reopen the school has recommenced classes and local farmers are gradually repossessing their land But it's not the same Australia as before the war A new nation exists just a few miles away a new border that separates Australia from its invaders Or does it For Ellie Linton being back on the farm with her parents is what makes the terrible things that happened during the war the things she Homer Lee Fi and the others had to do all worthwhile It's where she belongs But the war won't let her go A devastating tragedy has shattered any hope she ever had to reclaim her life or herself It's a new kind of fight And the enemy isn't always from the other side of the border Fans of Veronica Roth Suzanne Collins and John Flanagan will love John Marsden **John Marsden's Will** Emmeline Garnett, 1998-01-01 John Marsden was a mentally retarded Lancashire gentleman looked after by his aunt When he died his estate passed to George Wright a servant who was given stewardship of the estate This book looks at the legal wrangle which followed Incurable John Marsden, 2010-09-01 The next book in The Ellie Chronicles following While I Live the post war series featuring the immensely popular Ellie Linton heroine and narrator of the Tomorrow series I held my line I knew from the war if not from shooting rabbits that we were safe enough for the first moments It is too impossible to hit a target like us from a helicopter that's rocking and rolling and trying to find its target But maybe this guy had new equipment or maybe he was a brilliant shot or maybe he was just plain lucky Bullet holes tore through the ute like a huge metal punch was suddenly and roughly slamming a simultaneous line of them from our rear to our front Ellie has struggled to put the war behind her and lead a normal life Although what's normal about your parents having been murdered trying to run a farm and go to school and bringing up a young boy who's hiding terrible secrets about his past Packed full of action and high drama John Marsden delivers another fast paced adventure that will thrill old fans and new readers alike **Right Book, Right Time** Agnes Nieuwenhuizen, 2007-09-01 An eclectic and voracious compilation of more than 500 reading suggestions for teenagers this reference contains a wide range of books with an international scope With recommendations for scary funny and sad books this collection offers choices to suit every mood and moment and to satisfy all kinds of readers whatever their tastes and
