**Breathing and Walking Around** Kathy A. Bradley,2012 Breathing and Walking Around is not a memoir It is a record of four years worth of observations of common people everyday events and the natural world made by Kathy Bradley from her home in the coastal plains of South Georgia A lawyer by training a storyteller by nature she shares with precision and layer upon layer of sensory image simple tales that emerge in the end as parables Beginning at Sandhill the house she built on her family farm Bradley takes the reader with her as she walks miles of dirt roads with the dogs Lily and Tamar alert to the details of rural living the movement of the seasons the nearness and unpredictability of wildlife the sights and sounds otherwise drowned out by twenty first century living The meandering continues down the Atlantic beaches the shorelines of inland lakes backroads and interstates and we are at her shoulder as she like a paleontologist uncovers joy in the magic and mystery of the familiar and the brand new But Breathing and Walking Around is a true story and so along with the joy there are moments of questioning and uncertainty moments when doubt challenges faith It is in these moments that Bradley struggles to bring order to her own life that she most clearly articulates the universal truths that weave through all our stories ribbons of continuity and hope      DOE this Month ,1991      *The Education Index* ,1984      **Current Index to Journals in Education** ,1989      **Catalogue of high-school and college textbooks** Ginn and Company,1911      *The Publishers' Trade List Annual* ,1902      **Peterson's Guide to Graduate and Professional Programs, an Overview** ,1995
