The Deal ,2010 *Competing with Disruptive Business Models in Traditional Industries. Conceptualisation of a Strategic Framework* Nils

Berkemeyer,2016-05-06 Master s Thesis from the year 2015 in the subject Business economics Business Management Corporate Governance grade 1 0 Cass Business School language English abstract An increasing number of journalistic articles and academic literature deal with the struggle of established companies to fend off the attacks by industry newcomers such as Airbnb Spotify Netflix Google and many others These companies enter traditional industries with innovative business models and compete in a manner which makes it challenging for incumbent firms to understand their

novel competition and respond effectively This study introduces a typology of three stages of industry disruption that classify the newcomer's developmental stage and describe the incumbent's competitive position in terms of competition intensity and remaining time to respond It is demonstrated how incumbents may conduct their strategic reasoning along these stages to arrive at a strategic goal and evaluate possible counter measures

Khanna, 2019-12-31 Ambitious and encyclopaedic in scope this is a first of its kind book that presents the history of media and entertainment in India from the times of the Indus Valley Civilization right up to the twenty first century. The book starts with an examination of the origins looking at a wide array of aspects such as the state of entertainment during Harappan and Vedic times including details from the Natyashastra the early drama music and dance of Kalidasa the development of ragas musical instruments and early folk traditions the genesis of classical dance forms developments through the ages including in the Mughal period in the southern kingdoms in the north east and under the Marathas and the British Independence onwards the book takes a decade wise look at the evolution of newspapers cinema music television dance theatre and radio. The author himself a film producer director and lyricist who has worked in the entertainment industry all his life brings his unique perspective to bear on the subject. This pioneering work is a must read not just for the students and practitioners of the arts and media but also for their lay consumers. *Contextual Pricing: The Death of List Price and the New Market Reality* Robert Docters, Michael Barzelay, John G. Hanson, Cecilia Nguyen, 2011-10-19

A REVOLUTIONARY NEW PERSPECTIVE ON HOW PRICING REALLY WORKS. Contextual Pricing delivers a knock out punch to complacent and low return pricing approaches. This book is full of intriguing fresh insights which will expand your perspective on what is possible in maximizing revenue from your company's products and services. Mark Greatrex Chief Marketing Officer Cox Communications and former SVP Global Still Beverages The Coca Cola Company To effectively price managers must understand market context the frame of reference for buyers. Context is far more important than the usual measures of price variation. I strongly recommend this readable and useful book to any business leader who suspects his or her company is falling short of achievable revenues. Dave Calhoun Chairman and CEO Nielsen Company and former Vice Chairman General Electric Company About the Book A few leading companies have jettisoned ideas about pricing that other companies believe are indispensable. The result has been superior performance against competitors who persist in a simplistic 1990s belief in value. Contextual Pricing describes how buyers are influenced by comparison points and contextual messages more than by

actual price levels Identical products can sell at radically different prices to the same target customer if context is strategically managed This fact is how Procter Gamble GE Coca Cola Company Amazon Google Microsoft and others make sure they get the best possible price The use of context is changing the way companies price and sell in the new global economy This readable and market tested book describes the contextual pricing perspective how it is being used in B2B and B2C markets and how you can make the shift to contextual pricing in your own business Whether you re a CEO P L manager marketing director sales manager or entrepreneur Contextual Pricing shows you how to Understand how your customer will make buying decisions and the role of pricing in those decisions Establish better more intuitive prices using context Develop contextual pricing strategies that defeat competitor pricing how contextual pricing can be the antidote to destructive price wars Harmonize your pricing with branding product development and channel strategies Increase your profits with proven pricing tools such as scientific bundling tiering branding upsell hooks and more Through its illuminating case by case studies Contextual Pricing delivers a wide range of pricing techniques and customer insights that you won t find anywhere else You ll learn how to avoid common pitfalls when raising or lowering prices and discover how you can compete in traditional or emerging digital marketplaces and beat the competition through superior tactics not through lower margins When you know the secrets of Contextual Pricing you can name your price drive your sales increase your profits and own your success
