What Will Set You Free:

Truth That Will Set You Free John David Haffenden, 2014-09-29 Throughout this book you ll read about very important prophesied biblical events that have already occurred leading right up to the beginning of the Church Age Also explore what occurs during and after the Church Age Our entire reference has been God s Holy Word KJV the goal of this book is not to give you thoughts or comments of the author or others because these would be no less erroneous and misleading than many already given and recorded Only God s Holy Spirit knows the mind and intent of almighty God the Father He promised that He would teach us and make God s mind and intent known to us My prayer for this book is based on Proverbs 22 21 That I might make thee to know the certainty of the words of truth that thou mightest be able to answer the words of truth to them that send unto thee I most sincerely hope and pray that in regard to each subject in this book you will do as the Bereans did Verify every word in this book with God s word It is God s will that each person should be personally convinced and persuaded

There is Truth and It Will Set You Free Fr. Jeffrey S. Tunnick, 2025-08-04 We live in a world where the very concept of truth is rejected by some Others may accept some of truth but ultimately think they should be free to determine for themselves what to believe Fr Jeff embraces truth Through his writings on his website www.renewaloffaith.org sermons and presentations inspired by the Holy Spirit he seeks to present the truth as God has given it to anyone who will listen or read his writings In the summer of 2024 Fr Jeff came to realize that if he was going to continue to teach God s truth he needed to help people understand what truth is So he began to write an article for his website with some expectation of offering presentations on truth When he began to write this document he expected it to be not more than twenty five or thirty pages His plan was to have the first part of the document center on truth in secular terminology and then bring the Christian faith into the discussion That was his plan but it was not God s plan This book is the article he set out to write As he wrote two things became obvious The first is that he could not write about truth without referring to the Christian faith The two are intertwined Second God had bigger plans than an article for Fr Jeff s website Through writing prayer and encouragement from his friends he discerned that God was leading him to publish this book It is in God s truth that we find who we are meant to be
