**Whose Little Girl Are You (God's Little Girl)** Lori May Dill,2009-04-14 This is a true journey of a little girl who did not know where she belonged She is a survivor of many types of abuse She grew up to be a well adjusted adult only by the Grace of God The title of this book came about by what this little girl went through Her grandfather used to say to the children Who s little girl of boy are you She now knows where she belongs She belongs to God The cover was the result of a vision this little girl had when she was going through a very rough time in her life with her son The vision is of the little girl as an infant in Jesus arms and Jesus taking her hand as an adult Jesus was letting her know that He had been with her throughout her life and that He will never leave her alone Jesus will always be there in whatever she is going through or what she might go through later in her life Jesus is her one and only savior from the trials and tribulations she will go through in her lifes journey I pray that you will be blessed in reading this true lifes journey of this little girl who finally found out where she belonged

*God's Little Girl* Hilda Sellers,2017-06-21 Back cover summary In the fall of 1952 the Blackman children were playing in the yard of their home in Rockingham North Carolina They were completely unaware that their life as they knew it was about to come to an end They were about to be lifted out of poverty and hunger Their mother was too sick to ever come home again The County Health Department had forced her into a car to be quarantined in Black Mountain North Carolina because of tuberculosis Their father had already rejected them and taken his mistress and her kids to Maryland never to return again Soon the children would take a trip to an orphanage home There they would each be dropped off at different cottages never to sleep under the same roof again

**FOR THIS VERY SPECIAL LITTLE GIRL** debbie wood,2014-03-18 For this very special little girl Where do we go when we die We go to heaven to become an angel and live in God s glorious gardens It s a magical spellbinding place where all our loved ones have gone before us In this story activity book you can also place your loved ones in your chosen garden I wrote this book as a treasured gift for my granddaughter Scarlett Rose after flying from the UK to Australia to help bring her into the world The heartache I felt on flying back home inspired me to put pen to paper and my book began But it hasn t been easy By choice I had a poor education At school I was always a huge personality in the playground but a daydreamer in the classroom Then it was university haha I went to the university of life where my mother was my number one teacher Since the beginning my family has grown and so has my book It s been a pleasurable challenge to write Some days I ve cried with a great big belly laugh and others I ve cried with the depth of emotional love I felt deeply from my soul for my family friends and acquaintances who have inspired the characters in the book I was soon to hit a huge obstacle with this book learning to illustrate But I got there The most important lesson I

have learnt is to believe in yourself have faith what s meant for you in this life doesn t pass you by It s a big world out there full of wonderful opportunities that are all within reach So if you re missing a loved one like myself don t let your grievance grow live your life and be happy with a positive thought no one is promised a tomorrow but they say God offers a promises to us all of eternal angelic life in heaven Read on Guardian angels In every adult there s a child In every child there s imagination In imagination there is love positivity In mine I found a magical wonder world real or nostalgic For me I believe it s true     *The Girl's Own Annual* ,1899     *The Ladies' Repository* ,1862 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey s Lady s Book and Snowden s Lady s Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900     **The Family Friend** ,1886     **Good words, ed. by N.
