*A Chronicle of American Apathy*

ARTHUR D. MORSE

With a new preface by Herbert Mitgang

*This pioneering classic revealed—for the first time—the untold story about the deliberate obstruction placed in the way of attempts to save the Jewish people from Hitler's "Final Solution."*

"For national self-knowledge, the historical record Arthur Morse has compiled is one of the most important of our time."  
—*Barbara Ehrenreich*

"A brilliant, gripping, carefully documented illumination of the role played by America and other 'civilized' nations of the world during the rise of the Nazis and the destruction of six million Jews. *While Six Million Died* is a rare achievement."
