Cats and Dogs

Directions: Read about cats and dogs. Then, complete the Venn diagram, telling how they are the same and different.

Cats and dogs are popular pets. Both cats and dogs have fur, and they need food and water every day. Cats are usually quiet and like to climb, while dogs often bark and enjoy running outside. Cats clean themselves by licking their fur, but dogs need people to give them baths. Dogs love being with people all the time, while cats can be left alone for longer periods.

Books are stories and facts written to tell you things and teach ideas for entertainment. Books are made of pages with words, which are read in stories, novels, and pictures on a screen. In books, you need to learn about the story, and with movies, you watch the story about the on screen. You can see things and learn about the world around you. Books are a great way to learn about the world around you.

Reading Passages that Build Comprehension Linda Beech, 2005 Grades 2-3 [The Road to Independent Reading and Writing](#) Cathy Collier, 2021-07-30 Help teachers transform young learners into independent readers and writers with this must-have resource authored by Cathy Collier, a reading specialist and former kindergarten teacher. This easy-to-use classroom resource is packed with kindergarten reading and writing routines, lessons, centers, charts, resources, and teaching tips. Learn to give students the tools they can use on their own to become independent readers and writers by breaking key literacy concepts and skills into manageable, teachable pieces. The writing section covers implementing writing instruction, spelling strategies, composition strategies, and journal writing. The reading section covers strategies for teaching reading, providing lessons for phonological awareness, phonics, concept of print, reading comprehension, and vocabulary development. Flexible differentiation strategies are also included within each section to allow teachers to be responsive to the needs of all learners.

Woodcock-Johnson IV Nancy Mather, Lynne E. Jaffe, 2016-01-26 Includes online access to new customizable WJ IV score tables, graphs, and forms for clinicians. Woodcock-Johnson IV Reports, Recommendations, and Strategies offers psychologists, clinicians, and educators an essential resource for preparing and writing psychological and educational reports after administering the Woodcock-Johnson IV. Written by Drs. Nancy Mather and Lynne E. Jaffe, this text enhances comprehension and use of this instrument and its many interpretive features. This book offers helpful information for understanding and using the WJ IV scores, provides tips to facilitate interpretation of test results, and includes sample diagnostic reports of students with various educational needs from kindergarten to the postsecondary level. The book also provides a wide variety of recommendations for cognitive abilities, oral language, and the achievement areas of reading, written language, and mathematics. It also provides guidelines for evaluators and recommendations focused on special populations such as sensory impairments, autism, English Language Learners, and gifted and twice exceptional students, as well as recommendations for the use of assistive technology. The final section provides descriptions of the academic and behavioral strategies mentioned in the reports and recommendations. The unique access code included with each book allows access to downloadable, easy-to-customize score tables, graphs, and forms. This essential guide facilitates the use and interpretation of the WJ IV Tests of Cognitive Abilities, Tests of Oral Language, and Tests of Achievement. Explains scores and various interpretive features. Offers a variety of types of diagnostic reports. Provides a wide variety of educational recommendations and evidence-based strategies.
