*Social Reading Cultures on BookTube, Bookstagram, and BookTok* Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries      *Proceedings of the 6th International Conference on Economic Management and Green Development* Xiaolong Li, Chunhui Yuan, John Kent, 2023-06-27 This proceedings book together with the conference looks forward to spark inspirations and promote collaborations International Conference on Economic Management and Green Development ICEMGD is an annual conference aiming at bringing together researchers from the fields of economics business management public administration and green development for the sharing of research methods and theoretical breakthroughs The proceedings consist of papers accepted by the 6th ICEMGD which are carefully selected and reviewed by professional reviewers from corresponding research fields and the editing committee of the conference The papers have a diverse range of topics situated at the intersecting field of economic management public administration and green development ICEMGD is working to provide a platform for international participants from fields like macro and microeconomics international economics finance agricultural economics health economics business management and marketing strategies regional development studies social governance and sustainable development The proceedings will be of interest to researchers academics professionals and policy makers in the field of economic management public administration and development studies      *Social Media* Christian Fuchs, 2024-11-01 You will never look at social media the same way again Social media are an integral part of contemporary society From news warfare politics advertising consumption entertainment friendships labour and economy to friendships leisure language and everyday life they have changed the way we communicate use information and understand the world Social media shape and are shaped by contemporary society In order to understand contemporary society we have to ask critical questions about social media This book is the ultimate guide for digging deeper into issues of ownership power class and in justice This book equips you with a critical understanding of the complexities and contradictions at the heart of social media s relationship with society

The Fourth Edition contains new chapters and has updated and revised versions of other chapters. The book includes a new chapter on TikTok in the context of global capitalism and the geopolitical conflict between China and the USA. It explores new topics such as information and social media warfare in the context of Russia's invasion of Ukraine, the implications of Elon Musk's acquisition of Twitter for democracy and the public sphere, the prospects of Twitter alternative Mastodon, digital fascism, influencers, and the attention economy on TikTok, digital capitalism, the role of big data in digital capitalism, The Public Service Media and Public Service Internet Manifesto, social media's digital alienation, and Putinism and information warfare. It explores populism, racism, nationalism, militant patriarchy in a chapter on right wing authoritarianism on social media that includes two case studies of Donald Trump and Putinism. It analyses the phenomenon of social media influencers in the age of TikTok, Instagram, YouTube, and Snapchat. It explains in an updated chapter what digital capitalism is and what role big data plays in it. It explores the growing prominence of platforms and platform capitalism. It analyses fake news, misinformation, and surveillance capitalism in the context of Facebook, WhatsApp, Cambridge Analytica, and the Internet Research Agency. It shows why Google is simultaneously the Internet's God and Satan. It discusses digital democracy and the digital public sphere in the context of Twitter. It challenges you to envision and achieve a truly social media that serves the purposes of a just and fair world. It introduces platform co-operatives and the Public Service Internet. There are winners and losers in the age of digital capitalism. This book is an essential guide for anyone who wants to critically understand how we got to digital capitalism and capitalist social media, what we can do about it, and what a democratic public sphere looks like.
