Far from being a passing trend, TikTok represents a revolution in how products and services are promoted and sold online. This is the second book in a series designed to explore the potential of social media platforms for sales. In this book, I've explored every aspect of the platform from setting up an attractive business profile to advanced sales strategies and performance analysis. Organized into 30 chapters, the content is tailored for both beginners and seasoned professionals, providing valuable and practical insights. You'll learn how to navigate TikTok's algorithm, create engaging content, leverage features like TikTok Shopping and hashtags, and build partnerships with creators to maximize your sales. As a digital marketing professional inspired by my international journey, I bring a global perspective to this work. My name is Josué Matos, author of over 50 books including Rich Uncle Poor Nephews and The Art of Reinvention. With a decade of experience in digital platforms and a Bachelor's degree in Advertising, Marketing, and Communications underway, I have dedicated my career to helping entrepreneurs succeed in the digital world. My travels across Northern Ireland, Canada, and the United States have broadened my outlook and enabled me to develop innovative strategies which I share with you in this book.
