Impact You love your business your business helps people You re doing your customers a disservice when they search for a local business and go to a competitor This effects the amount of impact you can leave in the world Respect If you re not 1st on Google you ll lose respect in the eyes of many of your customers They won t see you as the market leader They ll try to negotiate discounts and haggle you for every penny It s not just your customers you ll lose respect in the eyes of many business owners They won t think you re serious about your business As a result you ll lose referrals and other opportunities Freedom The difference between freedom for many business owners is a 1st place Google ranking When you re first on Google you don t need to prospect for new customers By dominating your industry you can easily create time freedom It s not the best business owner that gets freedom it s the business owner that s first on Google I could list more reasons why your business needs to be 1st on Google maps but to be honest I don t want to disrespect your intelligence If you didn t know you need to be 1st on Google maps you wouldn t be reading this In this book I ve laid out 8 easy to follow steps An idiot could do this SEO doesn t need to be difficult It s really easy once you know everything Anyone that tells you it s really difficult and you can t do it yourself is trying to sell you their services Someone with no computer experience could follow these 8 steps and rank first on Google maps What are you waiting for Read the book today and ROCKET your business to the top

Getting Around with Google Maps John Michael Sly, 2014-12-26 Follow this book chapter to chapter to learn how to use the Google Maps API Written in a clear and easy to understand method this book will show you actual uses for the Google Maps API beyond just placing a marker on a map Instagram Secrets Alexander Vinci, 2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn t an eCommerce business and so Instagram isn t the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You re a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother s ward with beautiful birthing and stay suites with a spa like feel 3 You re a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we ll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram s back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won t care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn t logged in for a while they won t have to scroll through

outdated and no longer relevant posts They ll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book *Secrets for Influencers* Jose L Torres Arévalo, Red Influen Marketing de Influencers, 2021-03-29 Professional Guide to become a Travel Influencer Do you want to travel and generate with your activity as a Travel Influencer In this book you will find a complete guide to improve the strategy and generate more income as a Travel Influencer Secrets for Influencers who are dedicated to visiting cities and paradisiacal places strategy and direct and clear secrets such as Secrets and keys to succeed as a travel influencer How to become a travel influencer on Instagram What you need to know to succeed on Instagram How to write an effective review for the hospitality industry How to create the most impactful travel Instagram Hotel affiliate platforms for incorporating them into travel blogs Tips on how to grow your travel Instagram account How to gain popularity as a travel influencer on Instagram Convert an ideal profile for a travel influencer How travel is the key to monetizing as an influencer Working with brands as a travel influencer The ways to be a professional traveler The 4 must haves to showcase a city as an influencer How to earn income by being a travel influencer on Instagram How to be a local guide on Google Maps Travel influencers and their importance to the travel industry How to build a travel blog How to build a travel blog Campaigns that work best for a travel influencer Tricks to succeed on Instagram being a travel influencer A travel influencer s vision for Instagram The requirements that a travel influencer must have The advice a travel influencer can offer The advice that a travel influencer can offer The definition of the most important elements to be a travel influencer How to be a digital nomad and live traveling Favorite destinations for influencers Interaction is everything to a travel influencer Strategies to promote hotels and
