Launching Financial Grownups Bobbi Rebell, 2022-03-22 Learn how to give the young adults in your life the knowledge, confidence, and motivation to make adult money decisions and create their own strong financial foundation and independence so you can all live richer lives. In *Launching Financial Grownups*, popular personal finance expert and Certified Financial Planner Bobbi Rebell gets candid about the very real life challenges of getting young adults to choose to be financial grownups and develop their own financial foundation and security. She shares her own personal setbacks and solutions, both from her own past and as a parent, and walks readers through the ups and downs of financial adulthood milestones. Rebell has put together a practical and specific adulthood launch plan for parents of young adults, along with tips on how to open money discussions, the questions to ask your children, the most effective listening strategies, when to step in to stop them from making mistakes, and when to let them learn from their mistakes. *Launching Financial Grownups* provides the tools to help your teen or young adults navigate the challenges of adulthood, including debt, credit cards, peer pressure that leads to bad money decisions, negotiations, how to manage their own household, different investing opportunities, insurance needs, charitable giving, the legal documents they need to have in place in case of an emergency, what they need to know about your finances, and even starting to think about their retirement planning. All this while also addressing recent demographic trends driven by the pandemic, including young adults moving back into their childhood homes and becoming financially dependent after having been independent. *Launching Financial Grownups* offers solutions for parents who want to avoid cutting off their kids at a seemingly arbitrary age or life milestone and are looking for more supportive solutions to get their young adults to be well-adjusted financial grownups.
